Showa The Age Of Hirohito:

The Age of Hirohito Daikichi Irokawa,1995 In this landmark exploration one of Japan s most widely read historians looks back over the past 70 years of his country s history Examining the momentous changes that occurred during Emperor Hirohito s long reign 1926 1989 Irokawa reveals how the changing role of the imperial system affects Japanese life today

Showa Dorothy Hoobler,Thomas Hoobler,1990 A biography of the Japanese emperor who began his long reign as a divine ruler and after the devastating defeat of World War II accepted his new role as symbol of the state and watched over the re birth of Japan as a leader in the world *Showa* Tessa Morris-Suzuki,2013-12-17 Showa Japanese for radiant peace was the name given to Emperor Hirohito s reign at his accession in 1926 This was the beginning of a significant period of growth of militarism the Pacific war and the phenomenal post war economic expansion of Japan The first book to present modern Japanese history through the eyes of individuals Showa presents the experiences of three individuals born at the beginning of this age giving a unique inside view of Japan s recent history Their experiences include training as a suicide pilot being a draft evader during the Pacific War a leader in the Communist Party and a colonist in Korea turned overnight in August 1945 from a member of the ruling elite into a refugee First published in 1984 this title is part of the Bloomsbury Academic Collections series

World War II in Literature for Youth Patricia Hachten Wee,Robert James Wee,2004-11-10 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource Japan's Imperial House in the Postwar Era, 1945-2019 Kenneth J. Ruoff,2021-02-01 With the ascension of a new emperor and the dawn of the Reiwa Era Kenneth J Ruoff has expanded upon and updated *The People s Emperor* his study of the monarchy s role as a political societal and cultural institution in contemporary Japan Many Japanese continue to define the nation s identity through the imperial house making it a window into Japan s postwar history Ruoff begins by examining the reform of the monarchy during the U S occupation and then turns to its evolution since the Japanese regained the power to shape it To understand the monarchy s function in contemporary Japan the author analyzes issues such as the role of individual emperors in shaping the institution the intersection of the monarchy with politics the emperor s and the nation s responsibility for the war nationalistic movements in support of the monarchy and the remaking of the once sacrosanct throne into a people s imperial house embedded in the postwar culture of democracy Finally Ruoff examines recent developments including the abdication of Emperor Akihito and the heir crisis which have brought to the forefront the fragility of the imperial line under the current legal system leading to calls for reform *The Age of Emperor Akihito* Suzuki Takeshi,2019-10-10 This book scrutinizes historical controversies

regarding the past and the future of Japan in the age of Emperor Akihito In Section I each chapter discusses a different aspect of the historical controversy The text then moves on to present a collection of the public discourse of Emperor Akihito which offers a valuable source for analysis This investigation of the constitutionally prescribed role of the Emperor as a national symbol will serve to help the reader understand contemporary Japanese society Handbook of Christianity in Japan Mark Mullins,2018-12-24 This volume provides researchers and students of religion with an indispensable reference work on the history cultural impact and reshaping of Christianity in Japan Divided into three parts Part I focuses on Christianity in Japanese history and includes studies of the Roman Catholic mission in pre modern Japan the hidden Christian tradition Protestant missions in the modern period Bible translations and theology in Japan Part II examines the complex relationship between Christianity and various dimensions of Japanese society such as literature politics social welfare education for women and interaction with other religious traditions Part III focuses on resources for the study of Christianity in Japan and provides a guide to archival collections research institutes and bibliographies Based on both Japanese and Western scholarship readers will find this volume to be a fascinating and important guide **Turning Points in Japanese History** Bert Edstrom,2013-12-16 So called turning points or defining moments are both the oxygen and grid lines that historians and researchers seek in plotting the path of social and political development of any country In the case of Japan the ninth Conference of the European Association of Japanese Studies provided a unique opportunity for leading scholars of Japanese history politics and international relations to offer an outstanding menu of turning points many addressed for the first time over 20 of which are included here Thematically the book is divided into sections including Medieval and Early Modern Japan Japan and the West Contested Constructs in the Study of Tokugawa and Meiji Japan Aspects of Modern Japanese Foreign Policy and Democracy and Monarchy in Post War Japan Historical Dictionary of Postwar Japan William D. Hoover,2018-12-15 Japan is a mix of the old and the new traditional and modern and old fashion and innovative It has traveled the road to a modern destination without totally losing sight of its traditions and values Although some in Japan lament the passing of old ways Japan has held on to a reasonable amount of its traditions and values This is easier to find in its arts and crafts and its literature and films as well as in its social habits This book will introduce the broad sweep of people events and trends including the successes and failures of postwar Japan This second edition of Historical Dictionary of Postwar Japan contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Japan **Literature Connections to World History 712** Lynda G. Adamson,1998-06-15 Identifying thousands of historical fiction novels biographies history trade books CD ROMs and videotapes these books help you locate resources on world history for students Each is divided into two sections In the first part titles are listed according to grade levels within specific geographic areas

and time periods They are further organized by product type Both books cover world history from Prehistory and the Ancient World to 54 B C to the modern era Other chapters include Roman Empire to A D 476 Europe and the British Isles Africa and South Africa Australia New Zealand Pacific Islands and Antarctica Canada China India Tibet and Burma Israel and Arab Countries Japan Vietnam Korea Cambodia and Thailand and South and Central America and the Caribbean The second section has an annotated bibliography that describes each title and includes publication information and awards The focus is on books published since 1990 and all have received at l
