Showdown At Cibecue Creek:

Showdown at Cibecue Creek Dan Kirby, 1979-01-01 Ex U S Marshall Tom Brenner found her quietly bleeding to death in the Arizona sun He thought she was dead after what had happened to her she d have to be until she opened her eyes and looked at him *Atlas of the Indian Tribes of North America and the Clash of Cultures* Nicholas J. Santoro, 2009 Atlas of the Indian Tribes of the Continental United States and the Clash of Cultures The Atlas identifies of the Native American tribes of the United States and chronicles the conflict of cultures and Indians fight for self preservation in a changing and demanding new world The Atlas is a compact resource on the identity location and history of each of the Native American tribes that have inhabited the land that we now call the continental United States and answers the three basic questions of who where and when Regretfully the information on too many tribes is extremely limited For some there is little more than a name The history of the American Indian is presented in the context of America s history its westward expansion official government policy and public attitudes By seeing something of who we were we are better prepared to define who we need to be The Atlas will be a convenient resource for the casual reader the researcher and the teacher and the student alike A unique feature of this book is a master list of the varied names by which the tribes have been known throughout history
