Shutdown At Youngstown Public Policy For Mass Unemployment:

Shutdown at Youngstown Terry F. Buss, F. Stevens Redburn, 1983-01-01 In spite of the gravity of the problem of mass unemployment and its periodic recurrence in industrial societies few scientific studies have been undertaken which serve to define the impact of plant closings on workers families and the community to evaluate individual group or community responses to closings and to offer suggestions for the future Shutdown at Youngstown meets this need It presents the findings of a multidisciplinary scientific study of the closing of the steel mills in Youngstown in 1977 which put 5 000 persons out of work Research reported in the text is based on personal interviews social indicator data and data from health and human service agencies The authors conclude by developing a public policy for dealing with plant closings and the crisis of mass unemployment

Empty Mills Timothy J. Minchin, 2012-12-16 With the economy struggling there has been much discussion about the effects of deindustrialization on American manufacturing While the steel and auto industries have taken up most of the spotlight the textile and apparel industries have been profoundly affected In *Empty Mills* Timothy Minchin provides the first book length study of how both industries have suffered since WWII and the unwavering efforts of industry supporters to prevent that decline In 1985 the textile industry accounted for one in eight manufacturing jobs and unlike the steel and auto industries more than fifty percent of the workforce was women or minorities In the last four decades over two million jobs have been lost in the textile and apparel industries alone as more and more of the manufacturing moves overseas Impeccably well researched providing information on both the history and current trends *Empty Mills* will be of importance to anyone interested in economics labor the social historical as well as the economic significance of the decline of one of America s biggest industries

Life and Labor in the New South Robert H. Zieger, 2012-03-18 This collection of essays explores the dynamic new face of Southern labour since 1950 examining such topics as southern deindustrialisation union activism in the healthcare industry labour community coalitions the politics of southern anti unionism and immigrant labour in southern agriculture

Bitter Choices Ellen Israel

Rosen,1990-03-23 Ellen Israel Rosen presents a compelling portrait of married women who work on New England s assembly lines while they also maintain their homes and marriages With skill and sympathy she documents the reasons these women work their experiences on the job in the union and at home the sources of their job satisfaction and their management of the double day The major issue for this segment of the labor force Rosen suggests is not whether to work but the availability and quality of jobs Rosen argues that deindustrialization plant closings and job displacement confronts blue collar women factory workers with a bitter choice between work at lower and lower wages or no work at all Drawing on quantitative and qualitative data from interviews with more than two hundred such women factory workers Rosen traces the ways in which women who do unskilled factory work have gained in self esteem as well as financial stability from holding paid jobs Throughout Rosen explores the relationship between public work experiences and private family life She analyzes the dynamics of two paycheck working class families clarifies relationships between class and gender and explores the impact of patriarchy and capitalism on working class women At the same time Rosen places women s job loss within the broader economic context of global industrial transformations demonstrating how international capital shifts to cheaper labor in developing countries as well as technological progress are changing the shape of the entire American labor force and are beginning to undermine the material and symbolic gains of the American female factory worker the promise of market equality and progressive working conditions This book is a significant contribution to our understanding of women s work and family lives but it is also a valuable look at the consequences of deindustrialization in America for workers their families and their communities Myra Marx Ferree *American Journal of Sociology* *Disasters and Mental Health* Center for Mental Health Studies of Emergencies (U.S.),1985 **I Saw it Coming** T. K'Meyer,J. Hart,2009-12-21 In this book workers displaced by plant closings in Louisville Kentucky tell their stories emphasizing their agency demanding respect for their skill casting judgment on business and government for not showing that respect and revealing a sense of alienation resulting from violation of their values and trust **Crisis Of Competence: Transitional..Stress And The Displaced** Maida Et Al.,2018-10-24 First published in 1990 As the fifteenth volume of the Brunner Mazel Psychosocial Stress Series this book focuses on a psychosocial stressor that affects thousands of people every year The authors argue that the displaced worker is denied the dignity bestowed by employment in addition to a source of income security and insurance benefits This volume forms a new orientation for thinking about human behavior under extraordinary conditions **Changing Contours of Work** Stephen Sweet,Peter Meiksins,2020-04-24 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Changing Contours of Work is an exploration of the American workplace in the larger context of an integrated global economy Presented with engaging vignettes and rich data this Fourth Edition shows the reader how the old economy is now operating within the new economy and how that integration shapes the development of work opportunities

Authors Stephen Sweet and Peter Meiksins use an international comparative perspective revealing the historical transformations of work and identifying the profound effects that these changes have had on lives jobs and life chances This text supports the reader s understanding of the origins of current problems confronting working people in the new economy and contributes to a much needed dialogue about the strategies for liberating workers from poverty drudgery discrimination stress and exploitation
