Shy Ostrich:

The Shy Ostrich June Woodman,1994 One of a series of books with simple text and amusing brightly illustrated stories designed children who are reading by themselves for the first time In this story Ostrich does a lot of good deeds but is too shy to explain fortunately Parrot comes to the rescue **Official Handbook** John Noble,1886 HE IS A SOLDIER Anwer Ghani,2020-05-22 He is a soldier is a collection of narrative prose poems by Iraqi prose poetry writer Anwer Ghani In literature there is poetry and prose and in the middle prose poetry According to the characters of the superficial and deep structures of the text each text or writing has a superficial structure and it is the first building and level of understanding in the process of hearing or reading and a deep structure which is the analytical level and symbolism in this writing system While poetry is characterized by deep rhythmic and fragmented superficial structures prose on the contrary is distinguished by its superficial and deep non rhythmic structure But in prose poetry we find the non rhythmic non fragmented surface structure and the deep rhythmic fragmented structure which is the reason for the crossbreeding of prose poetry So prose poetry is a mixture of prose poetry rhythm and non rhythm Prose poetry can be produced in a narrative or lyric manner If the pattern is lyrical in both superficial and deep layers then there will be lyrical prose poetry while if the pattern is narrative in both superficial and deep layers there will be narrative prose poetry But we can find a superficial narrative structure with a deep singing lyrical structure In this case narratolyricism there will be a hybrid of lyrical prose poetry and this is the second hybrid within the first hybrid of the lyrical poetry So narrative prose poetry is a hybrid within a hybrid The narrative prose poem is a narrative poetic text written in one block in a horizontal form and based on the narrative writing and deep poetic revelation which is one of the works of the Arab Renewal Group which was founded in Baghdad in 2015 Anwer Ghani
