## **Sichuan Four Rivers:**

*Ancient Central China* Rowan K. Flad, Pochan Chen, 2013-01-21 An up to date synthesis of archaeological discoveries in the upper and middle Yangzi River region of China including the Three Gorges Dam reservoir zone      **The Yangtze River** Earle Rice, 2012-09-30 The Yangtze River in China is the world's third longest trailing just the Nile and Amazon The river provided inspiration for American author Pearl S Buck who grew up nearby and eventually wrote *The Good Earth* one of the most notable books of the 20th century The Yangtze begins more than four miles above sea level in one of the world's most spectacular mountains and passes through thick forests and lovely alpine meadows during its descent As it starts to level out many of China's most important and culturally significant cities line its banks It becomes a vital means of commerce and several dams provide power to hundreds of millions of people Finally the Yangtze reaches the East China Sea nearly 4 000 miles from its source      **Pioneers Of Modern China: Understanding The Inscrutable Chinese** Khoon Choy Lee, 2005-11-07 Amongst the Chinese exists great cultural variety and diversity The Cantonese care more for profit than face and are good businessmen whereas Fujian R n are frank blunt and outspoken but daring and generous Beijing R n are more aristocratic and well mannered having stayed in a city ruled by emperors of different dynasties Shanghai R n are more enterprising adventurous and materialistic but less aristocratic having been at the center of pre war gangsterism Hainan R n are straightforward blunt and stubborn Hunan R n are more warlike and have produced more marshals and generals than any other province *Pioneers of Modern China* is a fascinating book that paints a vivid picture of the unique cultural characteristics and behavior of the Chinese in the various provinces Using leaders in the modern history of China such as Sun Yat Sen Chiang Kai Shek Mao Zedong Zhou Enlai Deng Xiaoping Jiang Zemin Hu Jintao and Wen Jiabao as representatives it offers an in depth look into the psyche of the Chinese people It also pays tribute to writers painters and kungfu experts who have helped to develop the country socially and artistically      *Stairway to Heaven* James M. Hargett, 2012-02-16 Located in a remote area of modern Sichuan province Mount Emei is one of China's most famous mountains and has long been important to Buddhists *Stairway to Heaven* looks at Emei's significance in Chinese history and literature while also addressing the issue of sense of place in Chinese culture Mount Emei's exquisite scenery and unique geographical features have inspired countless poets writers and artists Since the early years of the Song dynasty 960 1279 Emei has been best known as a site of Buddhist pilgrimage and worship Today several Buddhist temples still function on Emei but the mountain also has become a scenic tourist destination attracting more than a million visitors annually Author James M Hargett takes readers on a journey to the mountain through the travel writings of the twelfth century writer and official Fan Chengda 1126 1193 Fan's diary and verse accounts of his climb to the summit of Mount Emei in 1177 are still among the most informative accounts of the mountain ever written Through Fan's eyes words and footsteps and with background information and commentary from Hargett the reader will experience some of the ways Emei has been

constructed by diverse human experience over the centuries      All Under Heaven Carolyn Phillips,2016-08-30 A comprehensive contemporary portrait of China's culinary landscape and the geography and history that has shaped it with more than 300 recipes Vaulting from ancient taverns near the Yangtze River to banquet halls in modern Taipei All Under Heaven is the first cookbook in English to examine all 35 cuisines of China Drawing on centuries worth of culinary texts as well as her own years working eating and cooking in Taiwan Carolyn Phillips has written a spirited symphonic love letter to the flavors and textures of Chinese cuisine With hundreds of recipes from simple Fried Green Onion Noodles to Lotus Wrapped Spicy Rice Crumb Pork written with clear step by step instructions All Under Heaven serves as both a handbook for the novice and a source of inspiration for the veteran chef Los Angeles Times Favorite Cookbooks of 2016      **The 14th Dalai Lama** Siren,1997      A World of Rivers Ellen Wohl,2010-11-15 Far from being the serene natural streams of yore modern rivers have been diverted dammed dumped in and dried up all in efforts to harness their power for human needs But these rivers have also undergone environmental change The old adage says you can't step in the same river twice and Ellen Wohl would agree natural and synthetic change are so rapid on the world's great waterways that rivers are transforming and disappearing right before our eyes A World of Rivers explores the confluence of human and environmental change on ten of the great rivers of the world Ranging from the Murray Darling in Australia and the Yellow River in China to Central Europe's Danube and the United States Mississippi the book journeys down the most important rivers in all corners of the globe Wohl shows us how pollution such as in the Ganges and in the Ob of Siberia has affected biodiversity in the water But rivers are also resilient and Wohl stresses the importance of conservation and restoration to help reverse the effects of human carelessness and hubris What all these diverse rivers share is a critical role in shaping surrounding landscapes and biological communities and Wohl's book ultimately makes a strong case for the need to steward positive change in the world's great rivers      *Thinking of Answers* A. C. Grayling,2010-03-01 Thought provoking short essays by Britain's leading public philosopher that show us how to discover our own answers to life's challenges While most philosophy is written in abstruse and ponderous prose Grayling's is a model of clarity and elegance The Times An enthusiastic thinker who embraces humour common sense and lucidity Independent If beauty existed only in the eye of the beholder would that make it an unimportant quality Are human rights political Can ethics be derived from evolution by natural selection If both sides in a conflict can passionately believe that theirs is the just cause does this mean that the idea of justice is empty Does being happy make us good And does being good make us happy Are human beings especially prone to self deception As in his previous books of popular philosophy including the best selling *The Reason of Things* and *The Meaning of Things* rather than presenting a set of categorical answers Grayling offers instead suggestions for how to think about every aspect of a question and arrive at one's own conclusions As a result *Thinking of Answers* is both an enjoyable and inspirational collection      Atlas of Religion in China: Social and Geographical Contexts Fenggang Yang,2018-09-04 The speed and the scale with which traditional religions
