## **Sidekicks Transfer Student Sidekicks:**

*Sidekicks* J. Torres, 2003-11-02 Terry Highland isn't like other kids. Or is she? Sure, Terry is the daughter of an ex-superhero sidekick and yeah, she has powers of her own too, but when you're a new student at a school like Shuster Academy that's hardly out of the ordinary. Terry has a pyromaniac firestarter in homeroom, a werewolf in Geometry, killer robots in gym, and that's just before lunch. Sounds like a superteen's dream come true, doesn't it? There's just one catch. In order to make the grade at this school, you can't use your powers. So when three new vigilantes burst on to the scene, calling themselves Biff, Bam, and Pow, it has the whole student body buzzing and the administration on the lookout for the kids that would dare to break the Academy's most essential rule. Can Terry and her friends solve the mystery without getting caught in the middle? **SIDEKICKS** turns the superhero genre on its head, following powered kids who would rather start food fights than fist fights and are more worried about what to do on a Friday night than the next contrived evil plot. *Sidekicks* J. Torres, 2003-10-01 Terry Highland unwillingly transfers to Shuster Academy, a school for apprentice superheroes and their sidekicks where they get special training in their powers in gym class but may not use them anywhere else, but where three vigilantes seem to be breaking the rules. **Sidekicks** J. Torres, 2002 Terry Highland transfers to Shuster Academy where all of the students have superpowers but are not allowed to use their powers to get grades. Are some students breaking this rule? *The Sidekicks* Will Kostakis, 2017-10-31 Ryan, Harley, and Miles are very different people: the swimmer, the rebel, and the nerd. All they've ever had in common is Isaac, their shared best friend. When Isaac dies unexpectedly, the three boys must come to terms with their grief and the impact Isaac had on each of their lives. In his absence, Ryan, Harley, and Miles discover things about one another they never saw before and realize there may be more tying them together than just Isaac. In this intricately woven story told in three parts, award-winning Australian author Will Kostakis makes his American debut with a heartwarming, masterfully written novel about grief, self-discovery, and the connections that tie us all together. *The Sidekick Comes of Age* Stephen M. Zimmerly, 2019-04-09 Literary sidekicks like Dr. Watson and Robin the Boy Wonder have not been the singular subject of a significant critical study until now. Using young adult literature (YA) to study the sidekick reveals new and exciting ways to understand these kinds of characters, and this kind of literature YA has embraced the sidekick, recognizing the way the character reflects the importance of growth and finding one's place in the world. The nature of many YA texts allows sidekicks to grow beyond literary or historical origins. This includes letting sidekicks evolve over the course of multiple texts, using parallel novels to add complexity to a sidekick's characterization, and telling a story from the sidekick's perspective, paradoxically making the sidekick the hero. A singularly focused and prolonged study helps to establish sidekick scholarship as a burgeoning field in and of itself. **Scandalous** J. Torres, 2004-09-14 Hollywood in the 1950s is a place of big glamour, small talk, and medium cool. The studios control everything, managing their actors' careers and massaging the image they present to the public. To do this, they need the press onboard, and the one aspect they can't control is gossip. This

means the most powerful woman in Hollywood is Paige Turner the celebrity columnist for one of America's most read papers Known for her outrageous headgear Paige is often called The Mad Hatter a nickname with a double meaning since everyone wants to be invited to her publicity party When a more salacious tabloid mentality creeps into the newsstands though Paige sees some of her ground being threatened And the studios see a roguish new element that might not want to play ball At the top of this salacious new art form is Harry Richards The Tabloid Dick the guy with the snooping peepers who keeps getting the scoop What begins as a war of words ends up being a knock down drag out fight for the number one slot as the biggest rumor monger in entertainment

U-X-L Graphic Novelists Tom Pendergast, Sara Pendergast, 2007 Contains articles that profile twenty six authors writing teams and illustrators of graphic novels arranged alphabetically from Joe Sacco to Marv Wolfman and includes sidebars photographs and illustrations
