Sidetracked in the Wilderness Michael Wells,1991-01-01 **Sidetracked in the Wilderness Study Guide** Hannah Morrell,2012-12-31 Life transforming principles and promises of the Bible that lead a person from defeat back to faith and victorious living **Sidetracked in the Wilderness** Michael Wells,1999 Life transforming principles and promises of the Bible that lead a person from defeat back to faith and victorious living *Subject Guide to Books in Print* ,1997 **Books in Print Supplement** ,2002 **Sidetracked in the Wilderness** Michael Wells,2001 **Until He Returns** Kenneth Winter,2020-01-07 Moments after Jesus ascended into heaven two angels delivered this promise Someday He will return In this sixth and final book of the Lessons Learned In The Wilderness series we will look at what that journey will look like Until He Returns No matter where we are in our journey with Him in the wilderness in the promised land or somewhere in between He has a purpose and a plan for us In this book we will look through the lens of the Book of Acts at what that journey looked like for those first century followers of Christ Like us they weren t perfect There were times they took their eyes off of Jesus But despite their imperfections He used them to turn the world upside down And His desire is to do the same thing through us Our journeys will all look different but He will be with us every step of the way Like the first five books in this series this book has been formatted in a way that you can read one chapter each day or read it straight through Whichever way you choose allow the Master to use it to encourage and challenge you in the journey that He has designed uniquely for you so that His purpose is fulfilled and His glory is made known **A Way Through the Wilderness** Rob Renfroe,2015-07-31 At one time or another everyone has a wilderness experience a time when life is barren and difficult and we feel alone and desperate not knowing where to turn Whether it s the loss of a loved one a financial or health crisis divorce or some other painful experience we see no end in sight and wonder how we can make it through another day In the Scriptures we see that often God s people went through a wilderness experience and these experiences changed them in profound ways The truth is that it s impossible to go through the wilderness without being changed There s a way through the wilderness that can leave us broken and bitter and far away from God But there s another way through God s way that leaves us with a deeper faith and draws us closer to God than we ever imagined With sensitivity and warmth Rob Renfroe explores the wilderness experience what it is how we get there why God allows it and how we can get through it God s way so that we learn the lessons that can be learned only in the desolate seasons of life when we are totally dependent on God A DVD featuring six interviews with the author and a full leader guide are also available for group study **A Way Through the Wilderness Leader Guide** Rob Renfroe,2015-08-18 At one time or another everyone has a wilderness experience a time when life is barren and difficult and we feel alone and desperate not knowing where to turn Whether it s the loss of a loved one a financial or health crisis divorce or some other painful experience we see no end in sight and wonder how we can make it through another day In the Scriptures we see that often God s people went through a wilderness experience and these

experiences changed them in profound ways The truth is that it s impossible to go through the wilderness without being changed There s a way through the wilderness that can leave us broken and bitter and far away from God But there s another way through God s way that leaves us with a deeper faith and draws us closer to God than we ever imagined With sensitivity and warmth Rob Renfroe explores the wilderness experience what it is how we get there why God allows it and how we can get through it God s way so that we learn the lessons that can be learned only in the desolate seasons of life when we are totally dependent on God The Leader Guide contains six session plan outlines complete with discussion points and questions activities prayers and more plus leader helps for facilitating a group 4 *Abundant Life* Drs.
