Sideways Look At Time:

A Sideways Look at Time Jay Griffiths, 2004-03-08 A brilliant and poetic exploration of the way that we experience time in our everyday lives Why does time seem so short How does women s time differ from men s Why does time seem to move slowly in the countryside and quickly in cities How do different cultures around the world see time In A Sideways Look at Time Jay Griffiths takes readers on an extraordinary tour of time as we have never seen it before With this dazzling and defiant work Griffiths introduces us to dimensions of time that are largely forgotten in our modern lives She presents an infectious argument for other more magical times the diverse cycles of nature of folktale or carnival when time is unlimited and on our side This is a book for those who suspect that there s more to time than clocks Irresistible and provocative A Sideways Look at Time could change the way we view time forever

Pip Pip Jay Griffiths, 1999 An enthusiastic piece of pop anthropology on the one subject that has ousted sex and money from the top of the obsessions league Jay Griffiths takes the subject of time in her teeth and chews at it until it s a far more palatable item Her exploration of the passage of time includes our obsession with speed with overtaking motorways and their link to fascism war Mercury god of flight and the mythology of time and speed Diana and Marilyn Monroe flawed women who through their violent deaths have become timeless icons history and the heritage industry the meanness of Greenwich Mean Time the fast language we now have to go with fast food Aborigine dreamtime the difference between festivals and pageants May Day and the New Year

The Postnormal Times Reader Volume 2 Ziauddin Sardar, Shamim Miah, C Scott Jordan, 2024-01-01 The book updates the theory and methods offers new ways of developing scenarios and suggest ways and means to engage communities in polylogues It explores the notions of time knowledge ignorance and modernity and outlines potential futures beyond postnormal times based on decolonised creativity and mutually assured diversity The reader also showcases how postnormal times theory is being used in diverse disciplines from political science and international relations to science studies education museology and drama and theatre Postnormal times presents us with existential threats Understanding the postnormal condition the changing nature of accelerating change is key to our survival

The Nature of College James J. Farrell, 2010 Traces a day in the life of an American college student that challenges popular conceptions of ivy accented campuses with images of culturally reflective t shirts keg parties and dormitory life to reveal how college represents opportunities for enabling a sustainable future

Wit's End James Combs, 2010-08-11 This book is a study of the Great Movies that fluid category of feature films deemed by various authorities film societies critics academics and movie enthusiasts to be the enduring and memorable works of cinematic history But what are they about In Wit s End the author attempts to make sense of these films in order to understand their greatness in the context of their relation to other films and to the worlds they come from and recreate on screen To that end we employ the conceptual power of pragmatic social theory and the rich idea of aesthesis to explore and arrange these films as a means of understanding what they express about the universality of

human life in our keen use of wit organization of social wont and direction of cultural way It is hoped that such an inquiry will illuminate the glory of the great films and contribute to the advance of film studies **In the Meantime** Sarah
