

# **! Love's Perfection**

**Oh I am so fortunate.  
In the past and in the present.**

**We fell in love, and loved  
and it was total  
and unexpected  
and revelatory  
and unique, of course  
and consuming  
and falling in love with the whole world too  
and with life itself  
and a compass  
and the possibility of a map  
and lacked nothing**

**and was everything.**

**And it was so perfect  
that now  
when I see your double around the town  
who looks just like you  
and was you**

**there is no need for nostalgia  
or regrets  
or how-it-might-have-been-if  
or even self-congratulation  
because it was so complete  
and completed.**

**I am so fortunate.  
I would like to think  
(for we talk, easily, but never of the past)  
that it is the same for you**

**for that way, completeness is doubled  
and something, perhaps  
given to the world.**

**We are so fortunate.**

**Centering Prayer** Brian D. Russell, 2021-09-14 A new but ancient way to pray can turn your life around Discover how to experience God s love at your core freeing you to love others and even yourself When biblical scholar and coach Brian Russell discovered centering prayer at a difficult crossroad in his life he had no idea how his life would change Sensing God s love for me has been so transformational that it almost feels as though I ve experienced conversion all over again he writes He became calmer less anxious less reactive freed of past wounds and a better listener in the presence of others Centering prayer also known as the prayer of silence helps you quiet

your mind from the constant thoughts and impulses and frees your true self to experience more of God's love in the very core of your being This inviting guide gives you practical tools to make centering prayer a consistent habit in your life gives the history and theological foundation for the practice and helps identify and overcome common obstacles Beginners as well as seasoned practitioners will gain inspiration rich insight and practical knowledge of a contemplative prayer practice that can open you up to deep experiences of inner healing and peace

**Transformed** Christy Wimber, 2017-04-21 The transformation of our souls is a journey that begins with a surrendered will Yielding to the transforming power of God is not a destination we reach but a daily yes to the journey this is how our mind is renewed It is in this place that He defines us refines us and reminds us what we are here for Our destiny being loved and created by God always precedes our calling Calling can change throughout the years but God's love for us will never change When we understand this and it transforms our identity then we understand the Gospel That is when we are transformed and that is how we walk in power

[Pianistenharmonie](#) Frederic Horace Clark, 1910 [On Love and Charity](#) Saint Thomas Aquinas, 2008-07 Among the great works of Thomas Aquinas the Commentary on the Sentences of Peter Lombard has suffered almost total neglect among translators Such neglect is surprising considering that the massive Commentary more than 4 000 pages in the last printed edition is not only Aquinas's first systematic engagement with all the philosophical and theological topics on which he expended his energy over the span of a short career but is also characterized by an exuberance and elaborateness seldom found in his subsequent writings Although Chenu had already drawn attention decades ago to the importance of studying this youthful tour de force for a fuller understanding of Thomas's more mature work the Commentary on the Sentences has remained a closed book for many modern students of Thomistic and medieval thought because of its relative inaccessibility in English or in Latin The present volume containing all the major texts on love and charity makes available what is by far the most extensive translation ever to be made from the Commentary with the added benefit that the better part of the translation is based on the as yet unpublished critical edition of the Leonine Commission The collection of texts from all four books has a tight thematic coherence that makes it invaluable to students of Thomas's moral philosophy moral theology and philosophical theology In addition the inclusion of parallel texts from Aquinas's first Parisian Commentary as well as from his second Roman attempt at a commentary the recently rediscovered *Lectura Romana* makes this edition all the more valuable

for those who wish to track the internal development of Thomas's thinking on these matters. The new availability of so many rich passages from the Commentary on the Sentences will encourage and facilitate use of a magnificent resource that deserves to be better known. The printed volume is supplemented by a web-based document containing a fuller introduction, webnotes, and a bibliography. To reach this supplementary information, click [here](#).

**ABOUT THE TRANSLATORS** Peter A. Kwasniewski is associate professor of philosophy and theology at Wyoming Catholic College and editor of *Wisdom's Apprentice*. Thomistic Essays in Honor of Lawrence Dewan O.P. Thomas Bolin O.S.B. is a monk at the Monastero di San Benedetto in Norcia, Italy. Joseph Bolin is adjunct professor of philosophy at the International Theological Institute in Garmisch, Austria, and adjunct instructor of Latin for the Austrian Program of the Franciscan University of Steubenville.

**PRAISE FOR THE BOOK** The present volume contains by far the most extensive English translation from the *Scriptum* to date. The translators of *On Love and Charity* have aimed to give a translation which is neither too literal nor too liberal, trying to find the golden mean between an unintelligibly Latinised or an enjoyable but unfaithful English version. This impressive volume will be of a great help for those wishing to study Aquinas and the issue of love in more depth.

**The End of Divine Truthiness: Love, Power, and God** Paul Joseph Greene, 2017-08-01. In *The End of Divine Truthiness*, Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love. With urgent resolve, Greene answers Martin Luther King Jr.'s pointed challenge to overcome reckless and abusive power without love and sentimental and anemic love without power. Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty. Wielding Stephen Colbert's word *truthiness* as a scalpel, Greene slices out one perilous theology after another to restore the wholesome truth that God is love. Supported by three world religions—Buddhism, Christianity, and Taoism—he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love. To reunify love and power here in the world, as King challenges, it is time to abandon ideologies of divine power that devastate divine love and promote atrocities. Greene's call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love.

**SUMMA THEOLOGICA** Thomas Aquinas, 2023-12-21. In his monumental work *Summa Theologica*, Thomas Aquinas systematically addresses the fundamental questions of Christian theology using a method that marries Aristotelian philosophy with ecclesiastical doctrine. The text is structured as a comprehensive guide encompassing the nature of God, the ethical life of humans, and the sacraments, all expressed through rigorous dialectical reasoning. Aquinas's literary style is both accessible and profound, employing a clear exposition of complex theological concepts, making it a cornerstone of scholasticism. The work stands as a vitrine of medieval intellectual thought and reflects the era's attempts to harmonize faith and reason.

Aquinas, a thirteenth-century Dominican friar and philosopher, was deeply influenced by the intellectual currents of his time, particularly the resurgence of Aristotelian thought. His commitment to understanding faith through reason led him to pen this

comprehensive treatise not only to clarify theological concepts but also to engage with the challenges posed by contemporary philosophical inquiries His scholarly background and extensive engagement with scripture shape the rich theological insights presented in the Summa Summa Theologica is an essential read for anyone interested in the foundations of Christian theology and philosophy Its thorough exploration of moral and divine principles provides invaluable insights for theological students philosophers and anyone seeking to deepen their understanding of the intersection between faith and reason
