

To my Wife

When I tell you *I love you,*
I don't say it out of habit
OR TO MAKE CONVERSATION
I say it to remind you that

I love you,

IN WAYS YOU'VE NEVER BEEN LOVED

For reasons you've never been told
For longer than you think you deserved
AND WITH MORE THAN
You will ever know existed inside me

I love you

FOREVER AND ALWAYS

LOVE, YOUR HUSBAND

Love Wife:

A Wife's Purpose Cindy Schaap,1992 New Essentials of Unification Thought: Head-Wing Thought Sang Hun Lee,2014-04-25 Unification Thought is the philosophy derived from the Divine Principle of the Reverend Sun Myung Moon It is a powerful key that is capable of solving any problem no matter how difficult it might be This Thought presents a new view of life of the world of the universe and God s work in history It is a principle of integration that can bring different religious doctrines and philosophies into unity while preserving their diverse characteristics Gleanings for the Curious from the Harvest-fields of Literature Charles Carroll Bombaugh,1890 The Ready or Knot Prayer Guide Scott Kedersha,2023-10-17 Who you choose to marry is one of the most important decisions of your life This decision affects everything that will happen to you from that point forward So how much have you and your significant other prayed together about your shared life to come The best time to start praying for your marriage is before you say I do This devotional guide helps you learn how to pray together for twelve specific areas of your relationship including the purpose of marriage communication and conflict spiritual emotional and sexual intimacy understanding your roles and your differences friendship and romance money parenting and more It may sound like a cliché when you hear the old adage that couples who pray together stay together but the reality is that the divorce rate for couples who pray together out loud on a consistent basis is less than one percent Prayer is key to a strong and lasting relationship The Ready or Knot Prayer Guide shows you how to develop a lifelong habit to sustain a lifelong marriage **Summa Theologica (All Complete & Unabridged 3 Parts + Supplement & Appendix + interactive links and annotations)** Thomas Aquinas,2013-08-20 This carefully crafted ebook Summa Theologica All Complete Unabridged 3 Parts Supplement Appendix interactive links and annotations is formatted for your eReader with a functional and detailed table of contents This ebook is the best known work of Thomas Aquinas c 1225 1274 Although unfinished the Summa is one of the classics of the history of philosophy and one of the most influential works of Western literature It is intended as an instructional guide for moderate theologians and a compendium of all of the main theological teachings of the Catholic Church It presents the reasoning for almost all points of Christian theology in the West The Summa Theologica is divided into three parts and each of these three parts contains numerous subdivisions Part 1 deals primarily with God and comprises discussions of 119 questions concerning the existence and nature of God the Creation angels the work of the six days of Creation the essence and nature of man and divine government Part 2 deals with man and includes discussions of 303 questions concerning the purpose of man habits types of law vices and virtues prudence and justice fortitude and temperance graces and the religious versus the secular life Part 3 deals with Christ and comprises discussions of 90 questions concerning the Incarnation the Sacraments and the Resurrection Some editions of the Summa Theologica include a Supplement comprising discussions of an additional 99 questions concerning a wide variety of loosely related issues such as excommunication indulgences confession marriage purgatory and the relations of the saints toward the damned

Scholars believe that Rainaldo da Piperno a friend of Aquinas probably gathered the material in this supplement from a work that Aquinas had completed before he began working on the Summa Theologica It seeks to describe the relationship between God and man and to explain how man's reconciliation with the Divine is made possible at all through Christ To this end Aquinas cites proofs for the existence of God and outlines the activities and nature of God Approximately one half of the Summa Theologica then examines the nature and purpose of man Finally Aquinas devotes his attention to the nature of Christ and the role of the Sacraments in effecting a bridge between God and man Within these broad topical boundaries though Aquinas examines the nature of God and man in exquisite detail His examination includes questions of how angels act on bodies the union of body and soul the cause and remedies of anger cursing and the comparison of one sin with another Aquinas is attempting to offer a truly universal and rational view of all existence Thomas Aquinas O P 1225 1274 also Thomas of Aquin or Aquino was an Italian Dominican priest and an immensely influential philosopher and theologian in the tradition of scholasticism within which he is also known as the Doctor Angelicus Doctor Communis and Doctor Universalis He was the foremost classical proponent of natural theology and the father of Thomism His influence on Western thought is considerable and much of modern philosophy was conceived in development or refutation of his ideas particularly in the areas of ethics natural law metaphysics and political theory
