Romantic Love and Sexual Behavior Victor C. de Munck, 1998-04-16 Westerners believe that love makes life worth living that sex is a natural desire different in kind from love and that only cynics reduce our love life to a calculation of economic or genetic factors In this volume essays explore these and other assumptions about the relationship between romantic love and sex This represents the first interdisciplinary social science study of love and sex Contributors ask and answer questions such as Is love just sex idealized or is it a transcendent and divine emotion Is love a cultural construct that is shared by members of the same culture or is it a matter of personal taste What keeps promiscuous people from using condoms even when they know they are at risk Are black professional men so rare that their conceptions of love and sex differ from those of white professional men Are brutal sexual fantasies an exclusively male domain and are they always excluded from love fantasies among normal adolescents Is divorce a culturally induced response to evolutionary reproductive strategies that compel individuals to maximize their genetic legacy Are marriages or relationships less satisfying or stable when an actual mate falls short of the fantasy of the ideal mate Is there a universal core to love and sex that is camouflaged by other cultural norms such as modesty and sexual segregation Is rape perceived as more acceptable when the rapist says he was motivated by love What do cult movements and romantic love have in common As they attempt to answer these and other questions the authors extend our understanding of the variety of ways that love and sex are conceptualized connected or separated

How We Love Our Kids Milan Yerkovich, Kay Yerkovich, 2011-03-15 One small change in how you love one big change in your kids Having problems with your kids What if you are the problem and you just can't see it How We Love Our Kids offers a unique approach to help you as a parent transform your kids by making specific changes in how you love It is the only book specifically for parents that reveals the unseen forces that shape every interaction with your kids Identify which of the five love styles you have Discover the surprising dynamics that shape your parenting Get rid of your buttons so your kids can't push them Create a close connection with your kids that will last a lifetime Learn the seven gifts every child needs Based on years of research in the area of attachment and bonding How We Love Our Kids shows parents how to overcome the predictable challenges that arise out of the five love styles and helps parents cultivate a secure deep

connection with a child of any age Retool your reactions and refocus on how you love Start today Watch your kids flourish and thrive as they receive what was missing in your love With four self assessments and powerful application tools to use with children of all ages **The Social Psychology of Attraction and Romantic Relationships** Madeleine A.

Fugère, Jennifer P. Leszczynski, Alita J. Cousins, 2017-09-16 Why are we attracted to some people and not to others Are first impressions accurate Why do some romantic relationships succeed while others fail Are our romantic choices influenced by evolution In tackling questions like these The Social Psychology of Attraction and Romantic Relationships reviews the theory and research behind this fascinating area It combines real life anecdotes and popular media examples with the latest psychological studies making it a lively and engaging read Ideal for students of social psychology and intimate relationships courses this is a comprehensive introduction to an everyday subject that on closer investigation proves to be a dynamic intriguing and sometimes surprising area
