GODSWORD GODSWILL ONU,2015-03-30 To love God is to cherish and esteem God with your whole being spirit soul and body It is to keep His Word and Commandments and also to serve Him with your whole heart To love God is to put God first before any other person or thing and to not offend or displease God because of any person desire or thing How do we prove that we love God We show and prove that we love God by keeping His Word and Commands If we say that we love Him but do not obey what He tells us to do where then is the Love of God in us Another way by which we prove our love for God and to Him is by serving Him and seeking for the wellbeing of His Kingdom Next if you love God and really love Him the love that you have for God will keep you from doing certain things saying certain things and behaving certain ways This is no joke If your Christian life is the one in which you yourself determine and decide what to obey and what not to obey then you do not love God Loving God Deborah Tarver Waters,2022-06-03 How do you love God How does a loving God allow difficult things to happen in your life Can you even believe that God exists The secret to loving God is trusting in His word and learning from and living through the stories found in the Bible We can love God through prayer through obedience and through faith We can even love God when we suffer Loving God will help you grow in Him and

help build the foundation to trusting and loving the Creator of the heavens and the earth Deborah Tarver Waters invites us to join her on a spiritual odyssey that takes us deeper into an exploration of God's love for us and our love for Him Through personal witness and candid sharing Tarver Waters illustrates how God's gracious loving pursuit of us opens the door for a healing and transforming relationship with Him *The Sermon Bible: Matthew xxii to Mark xvi*, 1891 A gift of love and loving greetings for 365 days, chosen and arranged by R. Porter Rose Porter, 1893 *Teachings on the Catechism* Charlotte Mary Yonge, 1887 *Loving God With All Your Mind* Gene Edward Veith, 1987 Our world is alive with fascinating new ideas discoveries and technologies But for Christians this can also present problems especially when the values of postmodernism and secular university life conflict with basic Christian principles What should Christians do when their beliefs come under attack in the classroom or the public square This book shows us that the answer is neither wholesale rejection of intellectual life and culture nor blind acceptance of it The answer lies in understanding that Jesus is Lord of all of life and that everything in life must be carefully viewed in the light of what Christ's lordship means Gene Edward Veith unfolds a dazzling critique of the postmodern intellectual world and culture He affirms the part that is good and true but he also shows crucial weaknesses that have such a hold over contemporary thought This book shows Christians how to survive and flourish in a postmodern world while affirming the truth of the Christian faith Love Out Loud Joyce Meyer, 2011-11-24 Jesus said You must love the Lord your God with all your soul mind and strength and love your neighbour as yourself If you had to choose a single verse in the Bible that is a formula for successful living this would be the one to live by says Joyce Meyer Many Christians get mixed up about love They know they should love God they know they should love others but they don't understand what it means to love themselves Joyce believes that this misconception is one of the greatest pitfalls in the Christian journey Loving oneself in a balanced healthy manner is essential in order to have healthy relationships with God and others Through these inspiring and thoughtful devotions readers will learn How to fall in love with God because of who He is rather than what he can give us Why we cannot truly love ourselves until we truly love God Why we must love ourselves in order to love others because it's impossible to give away something you don't possess Practical ways to put these principles into action and enjoy richer relationships This powerful volume combines the trademark practical teaching sound psychology and useful insights that Joyce Meyer is known for and will form a firm basis for devotions for years to come **The hidden life of the soul [by J.N.
