Lua Getsinger Herald Of The Covenant:

Lua Getsinger Velda Piff Metelmann,1997-01-01 Told in Getsinger's own voice through her letters diaries and talks between 1989 and 1916 this book acquaints readers with a life that inspires and instructs across times and ages It follows her tireless travels from east to west in the Americas in Europe and in India where she attracted hundreds to the love of their Lord **Bahā'ī Identity and the Concept of Martyrdom** Per-Olof Åkerdahl,2002 **Prophet's Daughter** Janet A. Khan,2005 Prophet's Daughter examines the extraordinary life of Bahiyyih Khanum 1846 1932 the daughter of Baha u llah founder of the Baha i Faith From the mid nineteenth century to the early twentieth century when women in the Middle East were largely invisible deprived of education and without status in their communities Bahiyyih Khanum was an active participant in the religion's turbulent early years and contributed significantly both to the development of its administrative structure and to its emergence as a worldwide faith community Her appointment to head the Baha i Faith during a critical period of transition stands unique in religious history **Historical Dictionary of the Baha'i Faith** Hugh C. Adamson,2006-12-21 Growing out of the teachings of the B b who introduced the idea of the coming of a great prophet the one promised in the scriptures of all the world's major religions the Bah Faith was founded by Bah u ll h when in 1866 he publicly declared that he was the One the B b prophesized The 2nd edition of the Historical Dictionary of the Bah Faith presents a general historical overview of both B b and Bah religions as well as a theological overview of the Bah Faith from their inception in the mid 19th century to the middle of 2005 It presents biographical details of the Founders and Central Figures along with numerous leaders and pioneers most of the basic principles and precepts as well as aspects of its organization and administration Through the use of photographs a list of acronyms a chronology an introductory essay a bibliography hundreds of cross referenced dictionary entries on nearly every aspect of the religion and appendixes listing the genealogy of the Founders statistical information and lists of apostles disciples Hands of the Cause Knights of Bah u ll h as well as of more than 930 believers who have contributed to its growth and development this book is a fundamental tool for finding information on all things related to the Bah Faith **The Forgotten Schools** Soli Shahvar,2009-09-30 By the end of the nineteenth century it became evident to Iran's ruling Qajar elite that the state's contribution to the promotion of modern education in the country was unable to meet the growing expectations set by Iranian society Muzaffar al Din Shah sought to remedy this situation by permitting the entry of the private sector into the field of modern education and in 1899 the first Baha i school was established in Tehran By the 1930s there were dozens of Baha i schools Their high standards of education drew many non Baha i students from all sections of society Here Soli Shahvar assesses these forgotten schools and investigates why they proved so popular not only with Baha is but Zoroastrians Jews and especially Muslims Shahvar explains why they were closed by the reformist Reza Shah in the late 1930s and the subsequent fragility of the Baha is position in Iran **'Abdu'l-Bahá's Journey West** N. Mottahedeh,2013-04-03 This edited volume of specially commissioned essays written

Collins,2025-09-22 This book explores the role of millennialism the Millerites and prophecy in the historical development of the Bah faith especially in North America The author demonstrates the importance of the Bah religion to millennialism studies and its connection to certain Protestant American and Shia Islamic modes of thought Bah s see two millennial visions on far separated continents within different religious milieux and from contrasting social climates as spiritually and prophetically linked the Millerites who expected the return of Christ in 1844 CE and Shia Muslims who expected the Mahd Q im Twelfth Imam in 1260 AH 1844 CE The chapters in this volume reflect on theories about millennialist movements the continuum from catastrophic to progressive millennialism Bah interpretations of biblical prophecy and Bah efforts to build the Kingdom of God on earth under a systematic divine plan The book highlights the maturation of the Bah community toward a focus on process and a capacity to deal with both catastrophe and progress It provides scholars of religion with a detailed study of the trajectory in Bah millennial ideas

Advancing Towards an Understanding Robert L. K. Mazibuko,2018-05-03 The prerequisite for being a Bah is to attempt to live a life that is in accordance with the teachings of that faith In the human condition one must have a logical explanation for a principle that lends itself to being lived This is an attempt at stating thoughts in relation to an exalted theme in terms of what one might perceive given that one has to have logic to the effort of endeavoring to live the ideal These explanations are not conclusive and may apply for a certain period and a certain kind of person and they constitute the writers desire to extend his belief to that which can actually be practiced Spirituality is not imaginary thought but a practicality The writer acknowledges that the Creator gave us minds to investigate phenomena because they are understandable and did not create pardon the expression for the mere purpose of confusing the minds It is a perception and a belief that He wants us to know and worship Him As He is eternal we must strive to advance eternally toward a fuller understanding of all lessons admitting that we are human and can do only what is humanly possible at any time

No Jim Crow Church Louis Venters,2016-09-20 A richly detailed study of the rise of the Bah Faith in South Carolina There isn t another study out there

even remotely like this one Paul Harvey coauthor of *The Color of Christ The Son of God and the Saga of Race in America* A pioneering study of how and why the Bah Faith became the second largest religious community in South Carolina Carefully researched the story told here fills a significant gap in our knowledge of South Carolina s rich and diverse religious history Charles H Lippy coauthor of *Religion in Contemporary America* The emergence of a cohesive interracial fellowship in Jim Crow era South Carolina was unlikely and dangerous However members of the Bah Faith in the Palmetto State rejected segregation broke away from religious orthodoxy and defied the odds eventually becoming the state s largest religious minority The religion which emphasizes the spiritual unity of all humankind arrived in the United States from the Middle East at the end of the nineteenth century via urban areas in the Northeast and Midwest Expatriate South Carolinians converted and when they returned home they brought their newfound religion with them Despite frequently being the targets of intimidation and even violence by neighbors the Ku Klux Klan law enforcement agencies government officials and conservative clergymen the Bah s remained resolute in their faith and their commitment to an interracial spiritual democracy In the latter half of the twentieth century their numbers continued to grow from several hundred to over twenty thousand In *No Jim Crow Church* Louis Venters traces the history of South Carolina s Bah community from its early origins through the civil rights era and presents an organizational social and intellectual history of the movement He relates developments within the community to changes in society at large with particular attention to race relations and the civil rights struggle Venters argues that the Bah s in South Carolina represented a significant sustained spiritually based challenge to the ideology and structures of white male Protestant supremacy while exploring how the emergence of the Bah Faith in the Deep South played a role in the cultural and structural evolution of the religion
