Lubitsch Ou La Satire Romanesque:

New Approaches to Ernst Lubitsch Brigitte Peucker, Ido Lewit, 2025-10-01 This exciting collection of unpublished essays on Ernst Lubitsch addresses multiple gaps in scholarly and critical engagement with the director His understudied early German films shed light on Jewish culture on the relation of comedy to gender and the influence of theatre on his filmmaking The popular historical epics brought Lubitsch an invitation to Hollywood in 1922 There Lubitsch helped develop the film musical and notably contributed to the genre of Hollywood romantic comedy The well known scholars film historians archivists and theorists whose essays appear in this volume expand our knowledge of the set designers actors directors and members of the emigr community who contributed to Lubitsch s vibrant films An emphasis on the role of material objects opens up a new dimension of critical engagement with the director Light is shed on neglected films and the antifascist dimension of his oeuvre brings his political stance clearly to light As these essays make clear Lubitsch s cinema is elusive and deserving of our close attention

Herr Lubitsch Goes to Hollywood Kristin Thompson, 2005 The first study by an acclaimed American scholar of the artistic interdependencies between the German and the Hollywood cinema in the 1920s

Hollywood Screwball Comedy 1934-1945 Grégoire Halbout, 2022-01-13 A 2022 CHOICE Outstanding Academic Title Love at first sight whirlwind marriages break ups divorces remarriage What accounts for the enduring success of the Hollywood madcap comedies of the 1930s Directed by masters of comedy Hawks LaCava Leisen Ruggles and featuring the decade s most iconic stars Colbert Dunne Grant Hepburn these films set romantic comedy standards for decades to come Screwball comedy embarked on two challenging missions to poke fun at established social norms and to undermine stereotypical depictions of gender roles putting forward a discourse that postulated the possibility of equality between men and women Gr goire Halbout s reexamination of screwball comedy provides a comprehensive overview of this sub genre eschewing the auteurist approach and including minor works never before analyzed through the screwball lens His book explains how these screwball stories met the expectations of a booming American middle class eager for the liberalization of morals with daring plots verbal humor and slapstick techniques Building on the work of Cavell Altman and Gehring as well as international and French scholarship Halbout s investigation unfolds in three parts He first establishes a definition of Hollywood screwball comedy through a cross sectional analysis of its socio historical context and an in depth examination of the genre He then situates screwball comedy in relation to its institutional context An exclusive study of archival material explains the emergence of a screwball aesthetic meant to subvert the prohibitions of the 1934 Hollywood Production Code through a verbal and visual rhetoric of diversion and mitigation Finally Halbout explores the social function of the genre s placement of romantic intimacy at the center of the public sphere and the democratic debate confirming that screwball eccentricity upholds America s founding values freedom of speech free consent and contractual engagement

film the German film director Ernst Lubitsch 1892 1947 is famous for his sense of ironic detachment and for the eroticism he infused into such comedies as *So This Is Paris* and *Trouble in Paradise* In a general introduction to his silent and early sound films 1914 1932 and in close readings of his comedies Sabine Hake focuses on the visual strategies Lubitsch used to convey irony and analyzes his contribution to the rise of classical narrative cinema Exploring Lubitsch's depiction of femininity and the influence of his early German films on his entire career she argues that his comedies represent an important outlet for dealing with sexual and cultural differences The readings cover *The Oyster Princess* *The Doll* *The Mountain Cat* *Passion* *Deception* *So This Is Paris* *Monte Carlo* and *Trouble in Paradise* which are interpreted as part of an underlying process of negotiation between different modes of representation narration and spectatorship a process that comprises the conditions of production in two different national cinemas and the ongoing changes in film technology Drawing attention to Lubitsch's previously neglected German films this book presents the years until 1922 as the formative period in his career **Film -**
