Luck of the Runner Alan Lunemann, 1975-11-01      Runner's World The Runner's Brain Jeff Brown, Liz Neporent, Editors of Runner's World Maga, 2015-09-29 As a runner your biggest asset or sometimes your greatest enemy is your brain What you think and feel on and off the road also has a huge influence over how you perform once you lace up Runner s World The Runner s Brain shows you how to unlock and capture the miraculous potential of the body s most mysterious and intriguing organ and rewire your mind for a lifetime of athletic success The book is based on cutting edge brain science and sports psychology that author Dr Jeff Brown uses every day in his private practice and as part of the medical team of several major road races including the Boston Marathon Full of fascinating insights from runners of all abilities including champion marathoner Meb Keflezighi and other greats the book includes trustworthy information that s been proven to work both in the lab and on the road      **Dennison's Party Magazine** ,1927      Runner 13 Amy McCulloch, 2025-07-01 An exhilarating thriller set against a 250 mile foot race in the Sahara Desert where more than one ultramarathoner will be running for their lives Seven years ago Adri left the running world after a major scandal She leveled an explosive and as it turns out career ending accusation at one of the world s most celebrated coaches and then he died suddenly Now after years away from the limelight she s ready to race again Adri is hungry for a challenge and she s picked one of the toughest events imaginable a 250 mile trek through the Sahara Desert organized by a mysterious and famously sadistic race director It will be a true test of her will and her stamina proof that after all these years she can still do it But she s also there to get closure on the mysteries that cloud her past Was her family targeted by one of her coach s defenders Was his death due to natural causes Adri is determined to finish the race and to find the answers to these long buried questions But clarity is hard to come by out in the Sahara s extreme conditions And as a number of runners start dropping out some from the heat and others under more mysterious circumstances it becomes clear that there s someone out there in the desert trying to stop anyone from winning by any means necessary      Lucky Bastard S.G.
