Marva Hasselblad,Dorothy Brandon

Lucky Lucky A Nurses Story Of Life At A:

Lucky-Lucky Marva Hasselblad, Dorothy Brandon, 1966

A Checklist of Vietnam War Literature, 1994

Historical Dictionary of the War in Vietnam Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible *Historical Dictionary of the War in Vietnam* emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War

My Lucky Misfortune. Life is a Story - story.one Stella S, 2024-09-04 Bad luck can take many forms but in Madeline s case it always seems to go for the jugular One or two close calls might be shrugged off but they happen so often that she has grown used to the spiking adrenaline rush of a near death experience Being repeatedly on the brink of losing her life Madeline starts to wonder Who is the mysterious boy that always saves her at the last second And does he have anything to do with the reason Death seeks her out Staying alive is no longer her only priority and while Madeline unveils the mystery surrounding her bad luck she steadily grows closer with her secretive saviour but not everything is as it appears

Behead and Cure Susan Armstrong-Reid, 2025-11-14 The war in Vietnam was an ethical minefield for the medical humanitarians who volunteered to treat the injured and dying The United States government used humanitarian aid as a counterinsurgency strategy and weapon of war The Vietnamese people could not understand why the Americans and their allies sought at once to attack them and to save them by providing medical care Civilian medical teams increasingly questioned their complicity in the war and whether neutrality was possible *Behead and Cure* explores the ethics of humanitarianism in Vietnam through the stories of seven medical teams from the United States Britain Canada and Australia Non combatant women played key roles in all aspects of caring for civilians this book repositions them from the sidelines of the Vietnam War to the centre Drawing on interviews and first hand accounts Susan Armstrong Reid considers how personality life experience place and the culture of medical teams affected women s professional and personal lives in Vietnam and their lives afterwards Confronted daily with the horrors of war they were expected to fulfill their gendered roles as purveyors of Western medical care humanitarian

ambassadors and models of femininity Some proved resilient and pursued a lifelong commitment to peace movements and humanitarian causes Others suffered burnout and sought to expunge the memory of their years in Vietnam Behead and Cure provides a new perspective on the ethical dilemmas facing humanitarian workers and the collateral human costs of war that remain timely today It reveals how the experience of Vietnam changed humanitarians views of their profession their own countries foreign policies and the place of the United States in the world The New York Times Book Review ,1966-10

In A Life Steve Goldberger,2024-11-22 Steve Goldberger has been a working musician and recording artist for fifty plus years In his book In a Life A Memoir Peppered with Stories of a Lucky Life in Music and Bum Ticker Adventures Steve shares his personal stories from being in a country rock and bluegrass band called Black Creek in the 1970s and 80s to playing and working with all kinds of roots style musicians both Canadian and international in the Toronto and Niagara region He also reflects on his Jewish roots and recounts his experiences working in his family s business and coping with several health issues Scattered throughout his stories are those from some of his musician friends including such Canadian award winning and successful musicians as Bernie LaBarge Graham Lear Wendell Ferguson Jim Casson Penner MacKay and so on Steve was even blogging before blogging was a thing Back in 1998 after being diagnosed with an enlarged aorta that needed to be replaced he started the blog The Bum Ticker to chronicle his experience with open heart surgery receiving responses from people all over the world Some of the blog s humorous and scary excerpts are included in this book Music friendships dogs love sadness death humour joy and philosophical outlooks In a Life has it all **The Disenchantment of Nurse Dorothy. A Story of Hospital Life** Florence Baxendale,1900 *Vietnam, an Annotated Bibliography* ,1968 *A Lucky Life* Richard B. Goldbloom,2013-10-22 A memoir of one of Canada s most influential pediatricians a compelling personality whose interests and activities have extended far beyond medicine into community development theatre and symphonic music
