Lucy Breckinridge Of Grove Hill The Journal Of A Virginia Girl 1862 1864:

Lucy Breckinridge of Grove Hill Lucy Gilmer Breckinridge, Mary D. Robertson, 1979 *Lucy Breckinridge of Grove Hill* Mary D. Robertson, 1981 *Lucy Breckinridge of Grove Hill* Lucy Breckinridge, 1981 *Lucy Breckinridge of Grove Hill* Mary D. Robertson, Lucy Breckinridge, 1981-09-01 A 19 year old girl's journal reveals how Southern society viewed the Civil War and was affected by it **How Young Ladies Became Girls** Jane H. Hunter, Professor Jane Hunter, 2002-01-01 There they competed for grades and honor directly against male classmates Before and after school they joined a public world beyond adult supervision strolling city streets flagging down male friends visiting soda foundations Over the long term their school experiences as girls foreshadowed both the turn of the century emergence of the independent New Women and the birth of adolescence itself BOOK JACKET *The Last Generation* Peter S. Carmichael, 2015-12-01 Challenging the popular conception of Southern youth on the eve of the Civil War as intellectually lazy violent and dissipated Peter S Carmichael looks closely at the lives of more than one hundred young white men from Virginia's last generation to grow up with the institution of slavery He finds them deeply engaged in the political economic and cultural forces of their time Age he concludes created special concerns for young men who spent their formative years in the 1850s Before the Civil War these young men thought long and hard about Virginia's place as a progressive slave society They vigorously lobbied for disunion despite opposition from their elders then served as officers in the Army of Northern Virginia as frontline negotiators with the nonslaveholding rank and file After the war however they quickly shed their Confederate radicalism to pursue the political goals of home rule and New South economic development and reconciliation Not until the turn of the century when these men were nearing the ends of their lives did the mythmaking and storytelling begin and members of the last generation recast themselves once more as unreconstructed Rebels By examining the lives of members of this generation on personal as well as generational and cultural levels Carmichael sheds new light on the formation and reformation of Southern identity during the turbulent last half of the nineteenth century *Civil War Weather in Virginia* Robert K. Krick, 2007 Civil War Weather in Virginia fills a tremendous gap in our available knowledge in a fundamental area of Civil War studies that of basic quotidian information on the weather in the theater of operations in the vicinity of Washington DC and Richmond Virginia *In the Looking Glass* Rebecca K. Shrum, 2017-08-30 An utterly fascinating reading of the multiple uses and meanings of mirrors among European Americans African Americans and Native Americans Journal of Social History What did it mean Rebecca K Shrum asks for people long accustomed to associating reflective surfaces with ritual and magic to become as familiar with how they looked as they were with the appearance of other people Fragmentary histories tantalize us with how early Americans people of Native European and African descent interacted with mirrors Shrum argues that mirrors became objects through which white men asserted their claims to modernity emphasizing mirrors as fulcrums of truth that enabled them to know and master themselves and their world In claiming that mirrors revealed and substantiated their own

enlightenment and rationality white men sought to differentiate how they used mirrors from not only white women but also from Native Americans and African Americans who had long claimed ownership of and the right to determine the meaning of mirrors for themselves Mirrors thus played an important role in the construction of early American racial and gender hierarchies Drawing from archival research as well as archaeological studies probate inventories trade records and visual sources Shrum also assesses extant mirrors in museum collections through a material culture lens Focusing on how mirrors were acquired in America and by whom as well as the profound influence mirrors had both individually and collectively on the groups that embraced them In the Looking Glass is a piece of innovative textual and visual scholarship A superb reflection of the many meanings held by an object usually taken for granted Highly recommended Choice **American Childhood** Anne Scott MacLeod,1995-10-01 In this collection of fourteen essays Anne Scott MacLeod locates and describes shifts in the American concept of childhood as those changes are suggested in nearly two centuries of children s stories Most of the essays concern domestic novels for children or adolescents stories set more or less in the time of their publication Some essays also draw creatively on childhood memoirs travel writings that contain foreigners observations of American children and other studies of children s literature The topics on which MacLeod writes range from the current politicized marketplace for children s books to the reestablishment and reconfiguration of the family in recent children s fiction to the ways that literature challenges or enforces the idealization of children MacLeod sometimes considers a single author s canon as when she discusses the feminism of the Nancy Drew mystery series or the Orwellian vision of Robert Cormier At other times she looks at a variety of works within a particular period for example Jacksonian America the post World War II decade or the 1970s MacLeod also examines books that were once immensely popular but currently have no appreciable readership the Horatio Alger stories for example and finds fresh intriguing ways to view the work of such well known writers as Louisa May Alcott Beverly Cleary and Paul Zindel **The Reconstruction of White Southern Womanhood, 1865-1895** Jane Turner Censer,2003-09-30 The important but little known story of elite southern white women s successful quest for a measure of self reliance and independence between antebellum strictures and the restored patriarchy of Jim Crow
