Mexico A Study Of Two Americas:

Mexico Stuart Chase,1935 *Mexico, a Study of Two Americas* Stuart Chase,1942 Mexico: a Study of Two Americas, by Stuart Chase in Collaboration with Marian Tyler; Illustrated by Diego Rivera Stuart Chase, **Mexico A Study Of Two America S** Stuart Chase,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **México** ,1937 **Mexico** Stuart Chase,1931

Mexico Stuart Chase,1931 **Mexico. A study of two Americas. By S. Chase, in collaboration with Marian Tyler. Illustrated by Diego Rivera** Stuart Chase,Diego Rivera,Marian TYLER,1932 Mexico Stuart Chase,1950 Katherine Anne Porter Janis P. Stout,1995 Katherine Anne Porter s life closely paralleled that of her century not only in its span 1890 1980 but in its interests and contradictions A communist sympathizer who became a quasi fascist a cosmopolitan who embraced southern agrarianism a femme fatale whose writings nonetheless evince feminist feeling Porter embodied often at their extremes the major currents of her time and ours In this new biography Janis P Stout argues that these inconsistencies can be viewed as part and parcel of modernism itself Drawing on Porter s rich and voluminous correspondence as well as published works Stout here sets out to craft an intellectual biography of a woman who by her own admission was not really an intellectual Stout reveals the extent of Porter s involvement in events of public significance and her interactions with prominent figures from President Alvaro Obregon of Mexico in 1920 to Hermann Goering in Berlin in 1931 to Robert Penn Warren Eudora Welty Allen Tate and others in the 1930s and 1940s to members of the Lyndon Johnson White House in the 1960s Against the backdrop of world war and cold war Porter s conflicting views on politics race religion and feminism reflected Porter s ambivalence toward her own Texas roots Mexico Stuart Chase,1932 **The 1933 Chicago World's Fair** Cheryl Ganz,2008-09-24 Chicago s 1933 world s fair set a new direction for international expositions Earlier fairs had exhibited technological advances but Chicago s fair organizers used the very idea of progress to buoy national optimism during the Depression s darkest years Orchestrated by business leaders and engineers almost all former military men the fair reflected a business military engineering model that envisioned a promising future through science and technology s application to everyday life But not everyone at Chicago s 1933 exposition had abandoned notions of progress that entailed social justice and equality recognition of ethnicity and gender and personal freedom and expression The fair s motto Science Finds Industry Applies Man Conforms was challenged by iconoclasts such as Sally Rand whose provocative fan dance became a persistent symbol of the fair as well as a handful of other exceptional individuals including African Americans ethnic

populations and foreign nationals groups of working women and even well heeled socialites Cheryl R Ganz offers the stories of fair planners and participants who showcased education industry and entertainment to sell optimism during the depths of the Great Depression This engaging history also features eighty six photographs nearly half of which are full color of key locations exhibits and people as well as authentic ticket stubs postcards pamphlets posters and other it *Mexico* Stuart Chase,1932 *Radical Visions and American Dreams* Richard H. Pells,1973 The Great Depression of the 1930s was more than an economic catastrophe to many American writers and artists Attracted to Marxist ideals they interpreted the crisis as a symptom of a deeper spiritual malaise that reflected the dehumanizing effects of capitalism and they advocated more sweeping social changes than those enacted under the New Deal In *Radical Visions and American Dreams* Richard Pells discusses the work of Lewis Mumford John Dewey Reinhold Niebuhr Edmund Wilson and Orson Welles among others He analyzes developments in liberal reform radical social criticism literature the theater and mass culture and especially the impact of Hollywood on depression era America By placing cultural developments against the background of the New Deal the influence of the American Communist Party and the coming of World War II Pells explains how these artists and intellectuals wanted to transform American society yet why they wound up defending the American Dream A new preface enhances this classic work of American cultural history **An Economic History of Twentieth-Century Latin America** E. Cardenas,J. Ocampo,R. Thorp,2000-11-09 This book explores the impact on Latin America of the extraordinary transformation of the international economy that took place in the half century or so that preceded the world depression of the 1930s The authors show how the response varied in terms of both growth and distribution shaped by varying preconditions and by natural resources and geography The interplay of economic developments with political and social structures had profound and varied effects on policy making and on institutions that were of great significance for later decades Uncollected Early Prose of Katherine Anne Porter Katherine Anne Porter,Ruth M. Alvarez,Thomas Francis Walsh,1993-01-01 This volume brings together 29 pieces dating from before 1932 none of which appear in her collected works and many of which are published here for the first time Includes both fiction and essays **Seeing High and Low** Patricia Johnston,2006-06-14 Publisher Description **Vida Americana - Mexican Muralists Remake American Art, 1925-1945** Barbara Haskell,Mark A. Castro,2020-01-01 An in depth look at the transformative influence of Mexican artists on their U S counterparts during a period of social change The first half of the 20th century saw prolific cultural exchange between the United States and Mexico as artists and intellectuals traversed the countries shared border in both directions For U S artists Mexico s monumental public murals portraying social and political subject matter offered an alternative aesthetic at a time when artists were seeking to connect with a public deeply affected by the Great Depression The Mexican influence grew as the artists Jos Clemente Orozco Diego Rivera and David Alfaro Siqueiros traveled to the United States to exhibit sell their work and make large scale murals working side by side with local artists who often served as their

assistants and teaching them the fresco technique Vida Americana examines the impact of their work on more than 70 artists including Marion Greenwood Philip Guston Isamu Noguchi Jackson Pollock and Charles White It provides a new understanding of art history one that acknowledges the wide ranging and profound influence the Mexican muralists had on the style subject matter and ideology of art in the United States between 1925 and 1945 **Negotiating Paradise** Dennis Merrill, 2009 Accounts of U S empire building in Latin America typically portray politically and economically powerful North Americans descending on their southerly neighbors to engage in lopsided negotiations Dennis Merrill s comparative history of U S tourism in L Continental Divides Rachel Adams, 2010-06-15 North America is more a political and an economic invention than a place people call home Nonetheless the region shared by the United States and its closest neighbors North America is an intriguing frame for comparative American studies Continental Divides is the first book to study the patterns of contact exchange conflict and disavowal among cultures that span the borders of Canada the United States and Mexico Rachel Adams considers a broad range of literary filmic and visual texts that exemplify cultural traffic across North American borders She investigates how our understanding of key themes genres and periods within U S cultural study is deepened and in some cases transformed when Canada and Mexico enter the picture How for example does the work of the iconic American writer Jack Kerouac read differently when his Franco American origins and Mexican travels are taken into account Or how would our conception of American modernism be altered if Mexico were positioned as a center of artistic and political activity In this engaging analysis Adams charts the lengthy and often unrecognized traditions of neighborly exchange both hostile and amicable that have left an imprint on North America s varied cultures
