fiction This book examines the treatment of science fiction within the academy The expert contributors to this volume explore a wide range of topics related to the place of science fiction in literary studies These include academic attitudes toward science fiction the role of journals and cultural gatekeepers in canon formation and the marginalization of specific works and authors by literary critics In addition the volume gives special attention to multicultural and feminist concerns In discussing these topics the book sheds considerable light on much broader issues related to the politics of literary studies and academic Cats in Space and Other Places BIll Fawcett, 2016-11-01 Space The Feline Frontier It has been said by Mark Twain that If man could be crossed with the cat it would improve man but it would deteriorate the cat In this volume we explore the many and manifest reasons why humans should voluntarily accord first place in space to their feline brethren From Robert A Heinlein's Ordeal in Space in which the merest kitten confers the gift of courage on his human to Cordwainer Smith s Ballad of Lost C mell which answers the very question of what would be the outcome of the melding of human and cat we offer here sixteen reasons why cats are Number One in our book At the publisher's request this title is sold without DRM Digital Rights Management Kliatt Young Adult Paperback Book Guide ,1994 The UFO Files Edward Gorman, Martin Harry Greenberg, 1998 UFOs have long been a topic of fascination and speculation generating bestselling books blockbuster movies popular TV shows and questionable tabloid articles Now tapping into the public s insatiable interest in the subject these all new stories by some of today s top writers explore close encounters of a thrilling kind Contributors include Gregory Benford Ed Gorman Peter Crowther Alan Dean Foster Kristine Kathryn Rusch David Bischoff and many others Cats Undercover Ged Gillmore, 2017-02-01 Tuck Ginger and Minnie are three cats living a sweet life on a quiet farm But catastrophe strikes with the arrival of two HORRIBLE humans Mr Mrs Pong When Ginger and Minnie go missing one night scaredy cat Tuck sets off to find his friends and that s when the adventure really begins Cats Undercover will take you to an incredible world of secret agent catbots savage sewer rats puddles of poodle piddle and even an audition on Kitten's Got Talent But can anything prepare our feisty felines for the Pongs perilous plans back on the farm WARNING Read this book if you dare but fasten your seat belt first Cats Undercover is every bit as snarky funny and filled with rhyming and alliteration as the first book Buy it for the middle grader in your life and then read it yourself pop edit lit A great read for middle graders who enjoy language play funny adventures and of course love cats The Children's Book Council of Australia Cats Undercover is the follow up to the best selling comedy Cats On The Run It s a treat for fans of The Bad Guys Bad Kitty Klawde Geronimo Stilton Percy Jackson Serafina The Kid Real Friends Dork Diaries Max Crumbly and the Warriors series Purrfect for ages 8 and upwards this is crazy cat comedy at its best Begin the adventure today Search terms Children's Cat Books Children's General Humor Books Children's Chapter Books Children's Intermediate Readers Books Children's Animal Stories Children's Farm Animal Books Children's Sword Sorcery Fantasy Books Children's Fantasy Supernatural Mystery Books Children's Halloween Books
