Perestroika Versus Socialism Stalinism And The Restoration Of Capitalism In The Ussr:

Perestroika Versus Socialism David North, 1989 SCOTT Copy 1 From the John Holmes Library Collection **Evgeny Pashukanis** Michael Head, 2007-09-12 A thorough examination of Pashukanis writings this book is a significant contribution to a proper assessment of Pashukanis work the value of his theoretical legacy and the contemporary relevance of Marxist legal theory Interest in the best known Soviet legal scholar Evgeny Pashukanis remains widespread and his work retains considerable relevance His writings provide a rich source of material on the Marxist theory of law and the state as well as the attempts to apply that doctrine in Soviet Russia In this book Michael Head considers Pashukanis work both within its historical context and in relation to contemporary legal theory answering a range of questions including How and why did Pashukanis emerge as the pre eminent Soviet jurist from 1924 to 1930 Why did he come under only minor criticism from 1930 to 1936 and then be denounced and executed in 1937 as a Trotskyite saboteur Why have many Western scholars generally praised the quality and originality of Pashukanis work yet also drawn the conclusion that his fate illustrates the intrinsic impossibility of the entire communist project Serving as an introduction to Pashukanis and Marxist legal theory and a timely contribution in light of the universal assault on civil liberties in the indefinite War on Terror and the constant escalation of law and order measures in Western societies this volume is an invaluable resource for those interested in jurisprudence and critical thought [A Tribute to Tom Henahan, 1951-1977](#) David North, 1997 **Law in Perspective** Michael Head, Scott Mann, 2008 Chiefly written as a textbook for 1st year university law students this book encourages critical responsible and creative thinking about law as a system of ideas and a social institution Explore the relationship between law logic and science **Gerry Healy and His Place in the History of the Fourth International** David North, 1991 **The Globalization of Capitalist Production & the International Tasks of the Working Class** Workers League (U.S.), 1993 **Imperialism and the Persian Gulf Crisis** Workers League (U.S.), 1990 **The Truth about the Killing of Daniel Yock**, 1994 Records the campaign for a public hearing initiated by the Socialist Labour League into the death of Daniel Yock reports on the public hearing findings [International Regulatory Competition and the Securities Laws](#), 1992 **Routledge Handbook of Contemporary North Korea** Adrian Buzo, 2020-11-22 The Routledge Handbook of Contemporary North Korea presents a comprehensive picture of contemporary North Korea placed in historical context and set against the overlapping fields of politics economy culture society and foreign relations Spanning a period of significant transition for North Korea this volume provides accurate analysis and applications of both historical and institutional perspectives The volume s chapters are representative of the growth in North Korean studies that has occurred since the 1990s in parallel with the growing maturity of the field in South Korea as well as with far greater levels of access to North Korean sources The volume is divided into five Parts each reflecting an emergent area of debate and research The political perspective The North Korean economy Foreign relations Society Culture This is the first anthology of North Korean studies

to demonstrate a clear understanding of North Korea as North Korea as opposed to a dimly perceived and threatening rogue state It features both Korean and non Korean contributors many working from primary source material As such this handbook will prove a valuable resource to students and scholars of Northeast Asian studies modern Korean history and politics and comparative politics more broadly **The Russian Revolution and Stalinism** Graeme Gill, Roger D.

Markwick, 2021-04-25 This book focuses upon significant aspects of Stalinism as a system in the USSR It sheds new light on established questions and addresses issues that have never before been raised in the study of Stalinism Stalinism constitutes one of the most striking and contentious phenomena of the twentieth century It not only transformed the Soviet Union into a major military industrial power but through both the Second World War and the ensuing Cold War and its effect on the political Left throughout much of the world it also transformed much of that world This collection of papers by an international cast of authors investigates a variety of major aspects of Stalinism Significant new questions like the role of private enterprise and violence in state making as well as some of the more established questions like the number of Soviet citizens who died in the Second World War whether agricultural collectivisation was genocidal nationality policy the politics of executive power and the Leningrad affair are addressed here in innovative and stimulating ways The chapters in this book were originally published as a special issue of *Europe Asia Studies* *Politics, Society and Stalinism in the USSR* John Channon, 1998-07-15 Over the past two decades in the West there has been a substantial re appraisal of the Stalinist period Social historians in particular have focused their attention on the social dynamics of Stalinism This collection of essays is based on a conference held at the School of Slavonic East European Studies the University of London on Stalin and Stalinism The contributors have analysed specific areas of the research available on Stalin and Stalinism in the USSR debate Their work should be placed within the context of current scholarship in the field both in the Former Soviet Union and the West This groundbreaking text will be critical in stimulating interest in the subject and providing material for further debate

Stalinism Nicholas Lampert, Gábor Tamás Rittersporn, 1992 A collection of essays with contributors from Britain continental Europe and USA dealing with the character and aftermath of Stalinism in the USSR concentrating on the inter war years **Stalinism: Its Nature and Aftermath** Nick Lampert, Gabor T. Rittersporn, 1992-01-20 This is a collection of essays with contributors from Britain Continental Europe and the USA dealing with the character and aftermath of Stalinism in the USSR The focus is on the interwar years and on the methodological problems of studying this period but the volume highlights also the links between Stalinism and the Tsarist past and the ways in which Stalinism in its very formation prepared the ground for its own demise In this way it contributes to a historical understanding of the current upheavals in the Soviet Union Soviet Marxism-Leninism Alfred B. Evans, 1993-10-30 This study examines the development of Marxist Leninist ideology in the U S S R from its origins to the collapse of the Soviet regime Alfred Evans argues that Soviet Marxism Leninism was subject to significant adaptation under various leaders contrary to the widespread impression that official

Soviet ideology remained static after Stalin While taking account of scholarly literature on each of the periods covered the work is significant for being based principally on an analysis of primary Soviet sources Evans integrated analysis of changes in ideology during the post Stalin decades is an important contribution to the literature in political science political economy and Soviet studies *Subject Guide to Books in Print* ,1993 Marxism and the Making of China J. Gregor,2014-02-19 An assessment of the influence of the Marxism of Karl Marx and Friedrich Engels on revolutionary developments in China The work covers the period from the first appearance of the Chinese Communist Party under Mao Zedong until its full transformation by Deng Xiaoping into a nationalist developmental single party developmental dictatorship **Globalization and the International Working Class** Fourth International. International Committee,1998 **Against Capitalism and Bureaucracy** Manuel Kellner,2023-03-13 Ernest Mandel 1923 1995 was one of the best known Marxist scholars active in the second half of the twentieth century A leading member of the Fourth International his books on capitalist economics bureaucracies in the workers movement and on power and socialist strategy were translated into many languages Democratic self organisation of workers was a red thread that ran through all of his thinking In *Against Capitalism and Bureaucracy* Manuel Kellner presents the first and until now only comprehensive overview of Mandel s theoretical and political contributions arguing that his work remains important for the debates on a socialist alternative in the twenty first century **Critical Medical Anthropology** Merrill Singer,Hans Baer,2018-10-26 The purpose of this book is to provide an introduction and overview to the critical perspective as it has evolved in medical anthropology over the last ten years Standing as an opposition approach to conventional medical anthropology critical medical anthropology has emphasized the importance of political and economy forces including the exercise of power in shaping health disease illness experience and health care
