Perilous Pit:

Trapped in the Perilous Pit Jack C. Harris, **Held** Eric Hahn, 2011-04 We have all fallen captive to various things in our lives Whether we ve succumbed to unfulfilled dreams untamed fears unhealed wounds or unhealthy habits we allow them to hold us prisoner even when they hurt us Eric and Elena Hahn one couple who longed to walk free from what held them ventured to the unlikely place the epicenter of Mexico s drug trafficking empire There in the most problematic community the red light district shattered homes lined the dirt streets where poverty prostitution drugs and every vice and perversion known on earth held the people captive But there this couple won the love of broken and desperate children whom sin had beaten down and held captive in ways the Hahns could never fathom Follow the Hahns journey as they struggle to reach Mexico s lost children and in so doing discover the key to walking in freedom Learn along with Eric and Elena how to experience the Father heart of God and how to impact your world right now Eric and Elena Hahn founded His Precious Ones in 2004 to reach Mexico s most lost and desperate young people with God s love Although beginning mainly with ministry to street kids Eric and Elena soon discovered the urgent need for all people with broken hearts to understand the Father s love After six years of living in Mexico they now reside in Chicago with their newborn twins Their ministerial focus is on teaching about the Father heart of God and mentoring the next generation **Lorna Doone** R. D. Blackmore, 2005-10-25 First published in 1869 Lorna Doone is the story of John Ridd a farmer who finds love amid the religious and social turmoil of seventeenth century England He is just a boy when his father is slain by the Doones a lawless clan inhabiting wild Exmoor on the border of Somerset and Devon Seized by curiosity and a sense of adventure he makes his way to the valley of the Doones where he is discovered by the beautiful Lorna In time their childish fantasies blossom into mature love a bond that will inspire John to rescue his beloved from the ravages of a stormy winter rekindling a conflict with his archrival Carver Doone that climaxes in heartrending violence Beloved for its portrait of star crossed lovers and its surpassing descriptions of the English countryside Lorna Doone is R D Blackmore s enduring masterpiece For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Lorna Doone** Blackmore, 1889 **Lorna Doone** Richard Doddridge Blackmore, 1919 *Getting the Most from Predictable Books* Michael F. Fendos, 2018-04-10 The Book of Changes A Modern Adaptation and Interpretation

attempts to breathe new life into the Book of Changes by making it relevant to the present time and day It does so by using archaeological evidence to trace the origins of the Book of Changes starting with numeric trigrams and hexagrams making its way up to early divination manuals and ending with the oldest extant version of the Books of Changes usually referred to as the received version It also explains the development of the Book of Changes from a divination manual into a philosophical text dealing with change However its main focus is on delineating sixty four patterns of change in the Book of Changes patterns based on novel metaphorical interpretations of the line texts in the Book of Changes that serve as the foundation for a new handbook on change Each metaphorical interpretation consists of 1 a hexagram and the Chinese character associated with it 2 a description of the hexagram 3 the Chinese characters for the line texts 4 translations of the line texts 5 a general interpretation of the line texts based on those translations 6 and some explanatory notes that attempt to clarify each interpretation Translations and the interpretations based on those translations reference Traditional and Modernist understandings of the line text materials ancient texts dictionaries lexicons from the period when the Book of Changes was compiled and the ideas of the author as he works to create a new Chinese philosophy of change complete with examples of how it can be adapted in modern day life The clear and concise general introduction to the Book of Changes that is incorporated into this work the many interpretations of the line texts contained in it and a popular philosophical content make this book a welcome addition to the field and will attract interested scholars and teachers engage business people or those looking to better understand Chinese culture and appeal to those focused on spirituality and holistic living
