

Persephone to Hades

(An answer to Lee Ann Schafer)

I was not hungry that day.
That's not what got me to stay.
I saw through your dark eyes this silver lead
While you offered me that pomegranate seeds.

Your ancient wisdom stood before me;
No mysteries that you wanted to keep me near,
And for all truths my wants to be near you.
Thus, I ate — six seeds to make myself clear.

Think that you put me under a wicked spell,
Seduced me taking away my childish veil.
Although you know, I had your name
Even before, rough and raw, upon my soul.

You are soil to me when the door must shut.
It is out love this spring that I can assure.
You are, King of Death, what nurtures me...
I yearn you. I love you. How I fell is real!

Mother, she is not all why I must go.
If I do not, how could I as your queen grow?
As long as your realm be my down below,
Goddess of Sping will be me: of Hades, Queen.

are seeped in the motif of Persephone and Hades According to Greek Mythology the young and beautiful Persephone is abducted by the King of the Underworld and dragged down to his shadowy lair where the horror and loneliness of death awaits but so do the carnal carnival delights that Hades has in store for his vulnerable bride Meanwhile her Mother Demeter's grief is so overwhelming the plants of the earth stop growing Zeus recognizing the fate of the world is at stake ends Hermes the Messenger to negotiate with Hades in the hope of retrieving the innocent from the Underworld The archetypal patterns of this myth which all lovers can relate to is woven into each poem The book as a whole is a coming of age story Each poem touches deeply into the theme of the power of the pursuit of passion and its many pitfalls since people can be as cruel in their full humanity even as they are compassionate in their Godliness Alas over time Persephone accepts her fate even as she goes kicking and screaming along the way as all those who are true to their own hearts must do This is essentially a book of Alchemy Eventually she claims her rightful position as Queen of the Underworld spending half the year down below with her lord and husband and the other half above as an Earth Goddess tending to the gardens and planting seeds metaphors all for the author's own journey through the darkest recesses through the heart of the Underworld and the greatest heights of joyful abandonment in the sunlight of erotic love The Alchemical Marriage is achieved This is a gift to anyone who has ever lost and found a deeper version of themselves in the throes of longing for a passionate union with a mythical soulmate who may or may not exist mostly in the oceanic imagination
