Unlocking the Scriptures Hans Finzel, 2013-04-13 This updated classic leads the reader through the inductive Bible study process showing practically how to study the Bible for one's self. With this tool, Christians can learn to relevantly apply God's Word to their lives as His Spirit leads them personally rather than as some other leader might direct. Originally published in 1986, Finzel's style remains very accessible, providing practical examples that walk the reader through the steps of unpacking Scripture using actual passages to practice. Free downloadable study guide and activities. **Handbook for Personal Bible Study Second Edition** William W. Klein, 2021-08 A proven resource to make you a better student of the Bible. Each study focuses on one general area of study. These studies enable individuals to do in-depth topical studies of the Bible. They are also invaluable to the Bible study teacher preparing lessons for Sunday School or a home Bible study. They can be used for group studies as well. The range of topics covered in the different studies is broad, from what the Bible teaches about itself to what the Bible teaches

about divorce and remarriage Included in each study are hundreds of Scripture references so there will be no lack of material from which to begin your studies So if you re an individual looking for an aid to improve for your own personal Bible studies or a Bible study teacher or home group leader looking for help in preparing lessons this book will be of great benefit The sources for the viewpoints promoted in these Scripture Studies are wide and varied The ideas are taken from commentaries study Bibles theology books books of various kinds and most importantly this writer s own personal study of the Scriptures The sources for the opposing views presented are publications of groups that promote the ideas and personal conversations this writer has had with members of such groups and adherents to the views Every effort has been made to ensure the accuracy of the Scripture references in these studies But with the thousands of references presented it is likely that a few typos have crept in If the reader comes across a reference that does not make sense in the context presented just go onto the next one There are always plenty of verses listed for each point It is my hope and prayer that God uses these Scripture Studies to help the reader to grow in the grace and knowledge of our Lord and Savior Jesus Christ To Him be the glory both now and forever Amen 2 Peter 3 18
