Between Two Worlds Tyler Henry, 2017-08-08 From Tyler Henry clairvoyant and star of E's hit reality series Hollywood Medium with Tyler Henry comes Between Two Worlds a captivating memoir about his journey as a medium thus far Dying doesn't mean having to say goodbye Tyler Henry discovered his gift for communicating with the departed when he was just ten years old After experiencing a sudden accurate premonition of his grandmother's death what Tyler would later describe as his first experience of knowingness life would never be the same Now in his twenties Tyler is a renowned practicing medium star of the smash hit E reality show Hollywood Medium with Tyler Henry and go to clairvoyant of celebrities VIP's and those simply looking for closure and healing He has worked with some of Hollywood's biggest names including Khloe Kardashian Amber Rose Margaret Cho Jaime Pressly and Monica Potter Despite struggling to accept his rare talent Tyler grew to embrace it and finally found the courage to share it with and ultimately change the world For the first time Tyler pulls back the curtain on living life as a medium in his first memoir in which he fearlessly opens up about discovering his gift as an adolescent what it's truly like to communicate with those who have passed the power of symbolism in his readings and the lessons we can learn from our departed loved ones With unparalleled honesty Tyler discusses how his complex and fascinating gift has changed his perception of the afterlife and more importantly how readings can impact our relationships with our closest friends and family once they're gone

The Psychology of Spirit Mary Devlin, 2000-12-20 A book on the psychology of the soul blending modern transpersonal psychology ancient myth and years of experience with past life regression The Psychology of Spirit presents the results of over 20 years of study of esoteric philosophy psychology world mythology and religions reincarnation and past life regression all coming together in a new psychological paradigm for the purpose of clearing the soul rather than the personality of ancient trauma and enabling the transition to enlightenment

Multidimensional Evolution Kim McCaul, 2013-10-25 In Multidimensional Evolution author Kim McCaul recounts his journey to Java seeking a technique to help calm the demons that had been troubling him for the previous two years and his subsequent realisation that those demons were not the product of his own mind but were actually real non physical people who had been pursuing him from a previous life It then focuses on three of the teachers that guided the author through insights and experiences on his search for understanding Pak Sujono who ran a meditation centre in Indonesia a housewife in England who enjoyed remarkable psychic abilities and the capacity to significantly alter the energies of those around her and Waldo Vieira a Brazilian consciousness researcher and psychic Multidimensional Evolution encourages readers to experiment for themselves have their own experiences come to their own understandings and make the most of this current physical lifetime

Original Christianity Peter Novak, 2005-09-29

Offers more information about the first century world of early Christians asking Could Christ s original teachings have truly been lost Foreword Reviews Whoever finds the interpretation of these sayings will not experience death from the Gospel of Thomas The work of scholars such as Elaine Pagels and Marvin Meyer have captured the imagination of the public by setting forth the Gospel of Thomas and other lost teachings of Jesus Now Peter Novak in Original Christianity brings forth a critical element essential for fully understanding these scriptures Novak argues that the authors of these early texts subscribed to the Binary Soul Doctrine an ancient belief system that allows for both reincarnation and an eternal afterlife Novak s interdisciplinary approach offers fresh insights on the beliefs and politics of the early church founders He points out that reincarnation was a commonly held Christian belief until it was voted out of official Christianity and the record expunged This newfound key reveals the true identities of many mysterious Biblical figures such as Lazarus Barabbas Judas and especially the Apostle Thomas who may not only have been Jesus identical twin brother but indeed a second Christ in his own right who lived to produce a genetically identical bloodline More important still the rediscovery of the lost theology of Original Christianity means Christ s central message of personal integrity can again take center stage

Evolving Life and Transition to the World Beyond Ronald Radhoff, 2011-05-13 The world is on the brink of major changes The vibrations are increasing on the planet and act as a catalyst that is empowering the light and suppressing the dark energies During this process great opportunities to be a part of a magnificent spiritual evolution are opening for those who choose the way of the loving light of God There is enormous confusion for many who have been subjected to false perceptions and are controlled through fear the great tool of the dark side of governments and yes even some religions This book is a result of the authors 33 year search for greater truths enhanced by communications from several spirit sources of the Deity plus answers about other life in the Cosmos including mind expanding descriptions from highly evolved beings about life on other planetary systems The author included several communications from friends and family when they described their transition experiences after crossing over to the World Beyond These messages go beyond fundamental religious myths and describe various dimensions in the spiritual realm This book is for you if youve ever wondered what your purpose in life is if you want to unleash greater powers of your mind if youve wondered whether there is intelligent life out there if youve wondered what the Afterlife is really like if you have any fear of dying death or crossing over if you really want to evolve spiritually Ron has given many lectures and presentations over several years to a variety of organizations Expressing his creativity Ron also paints in oil and is the cover artist From a reader Once I started reading your book it was so interesting I couldnt put it down and read it straight through I need eight more copies for family and friends Beverly R Novi Michigan
