Questions to ask yourself BEFORE quitting your job

Are you unhappy with how your employer treated you during the pandemic?

Is it the people you work with? The culture?

Are you sitting at a desk for too many hours of the day?

Would a different group, manager, or position be better for you at the same company?

Is your current work environment just not for you anymore?

Do you dread going in (or logging in) on Monday mornings?

Is the discomfort you feel short-lived and brief, or constant and permanent?

What is your "point of no return?" What is your deal-breaker?

Does the mission of your company not align with your values?

What would need to change in order for you to be happy at work?

Are you happy with your company's diversity and inclusion initiatives?

Does your company have remote work options?

Do you have another job lined up?
