novel is a political statement set within a story in the Vietnam War The purpose of this book is to entertain to educate and to give a message about the Vietnam War The author has kept historical accuracy and realism to make this book meaningful Inspiration for writing this book came from the author s experience of living in America with the Vietnam War and from the author s recollections of Soldiers who were drafted and who fought in the war This book contains historic and well known quotations about war that have been used in the dialogue Some battlefield action has been added so the reader has a balance of action scenes and political discussions on the war Hollywood's Last Golden Age Jonathan Kirshner,2012-10-05
