Love Whispers:

Love Whispers Terah Duncan Stearns, 2007-03-08 What if you knew beyond a shadow of a doubt with absolute faith that whatever you wanted to be do or have could be yours The only rule was to ask in absolute joy love and faith What would you ask What would you do Love Whispers all the answers you are seeking How can I create what I want How can I live a life of joy and abundance How can I connect with the Love that I am How can I create more meaningful and lasting relationships If I can ask and it is given then why don't I get what I ask for And much much more Love Whispers with amazing accuracy on why your life looks and feels as it does Then it offers you the secrets to creating a joyous and abundant life It helps you understand how you sabotage your life and how to effortlessly shift back into success mode Terah gently offers loving guidance to help us find our own beautiful relationships and direction in our world This book is a perfect gift to those I love I have shared this book as divine and loving guidance to friends struggling with personal issues and am amazed at how thankful they are for the useful and loving guidance I have personally referred back to this book dozens of times already A true loving guidance masterpiece My life is forever enhanced with the realization of love and the relationship I have with Divine Source Marianne MacKenzie Texas
