Lovers on the Nile Richard Hall,1980-01-01 **Lovers on the Nile** Richard Hall,1980 **Lovers on the Nile** Richard Seymour Hall (Schriftsteller, Australien, England),James A. Casada,1980 **Search for the Nile's Source** John Humphries,2013-09-15 The source of the Nile had long eluded and tormented explorers and John Hanning Speke's discovery of Lake Victoria in 1858 elevated him to the pantheon of heroes of African exploration alongside Livingstone and Stanley But the part played by the Welsh mining engineer John Petherick in the discovery was ignored after he was branded a slave trader by Speke and the controversy that followed ended with Petherick ruined and Speke dead This first biography of Petherick places him at the centre of one of the great discoveries in African exploration and as the focus of a dispute that rocked the geographical establishment Was Petherick a rogue as portrayed by some or the victim of a conspiracy that destroyed his reputation and denied him a share of the credit for his part in one of the greatest feats in African exploration

Visualizing Africa in Nineteenth-Century British Travel Accounts Leila Koivunen,2008-11-19 This study examines and explains how British explorers visualized the African interior in the latter part of the nineteenth century providing the

first sustained analysis of the process by which this visual material was transformed into the illustrations in popular travel books At that time central Africa was effectively a blank canvas for Europeans unknown and devoid of visual representations While previous works have concentrated on exploring the stereotyped nature of printed imagery of Africa this study examines the actual production process of images and the books in which they were published in order to demonstrate how why and by whom the images were manipulated Thus the main focus of the work is not on the aesthetic value of pictures but in the activities interaction and situations that gave birth to them in both Africa and Europe
