Redeeming Work Geoffrey Rowell,Kenneth Stevenson,Rowan Williams,2003-10-23 There is a rich vein of writing within Anglican tradition that has helped to form the theology and spirituality of the contemporary church For many readers much of this material remains unfamiliar and is often difficult to access Love s Redeeming Work draws together the works of major writers from the sixteenth century to the present day who have contributed to this development Each selected writer is introduced with a brief biography which gives background information about the author and highlights the relationships that existed with others from the same period This will enable the reader to set the writings in their proper context enhancing understanding of the material The selections then follow In some instances these may be familiar but other examples will introduce fresh ideas for every reader Each writer s selection is concluded with a list of source texts which can encourage readers to explore in more depth those areas which intrigue and excite them Love s Redeeming Work traces a path that has enabled Anglicanism in particular and the wider church as well to develop an ever deepening awareness of the need for a spiritual depth in the Christian life informed by a better knowledge of tradition In exploring this material it is the compilers hope that readers will find new riches that will encourage and sustain their own quest for holiness **Triumphant**

Elizabeth J.F. Vejar,2022-11-10 Your walk with Jesus is uniquely yours Your gifts and talents physical attributes and limitations have been selected specifically for you At first breath you were given free will from your Creator allowing you to make choices each day to trust and obey Him or go another way perhaps your own way We all fall short of God s perfection that is the truth But we can choose to live an obedient life here on earth that brings forth glory to our Father in Heaven When we choose to obey his word promises us glorious rewards that await us in his kingdom to come In this book you will discover

different areas in life where God calls us to obey because He knows it is good for us He is not up in Heaven waiting for us to make mistakes but graciously and mercilelessly carries our brokenness back to the cross to repent and turn our hearts back to Him This gift of forgiveness lies within Christ our Savior and deep within the pages of the Holy Bible The scriptures of truth and obedience have been brought to life here in this book Triumphant The Fountain of Love Alfred William Snape,1855

God on Trial Paul K. Moser,2025-09-30 Moser a distinguished philosopher and author of a dozen books continues his quest to find an authentic credible philosophy of religion He asks Can we trust God How do we know that God is benevolent Are there any proofs that God means well and wants us to be well Part of being human is testing the divine Moser asserts putting God on trial so to speak to see if our faith in life and in God is really justified In the end the author finds that we are in fact conscious of the goodness of existence and the proof of God s morality lies in righteousness among humans people s ability to cultivate virtue in and among themselves Human testing is invited by God so long as we use the standard of goodness righteousness suited to a God worthy of worship The book advances this neglected truth In other words God is always seeking to show us God s goodness and our own goodness is itself a vindication of God s
