Lovesick Alex Wellen, 2009-07-07 For Andy Altman it was love at first sight Halloween 1983 She was Princess Leia he was Chewbacca Determined to be more than star crossed lovers Andy vowed to do whatever it took to make Paige Day his bride even if that meant dragging himself back to the small town of Crockett California and working for her father Gregory the local pharmacist and most demanding boss east of San Francisco Day s Pharmacy is tight quarters and for Andy and Gregory the mixture is explosive Unable to win Gregory over Andy devises a surefire scheme to secure his blessing to marry Paige But what Andy doesn t realize is that the only way he ll make it to the altar is if he protects his future father in law s big secret In so doing he ll have to fend off financial ruin Paige s aggressive ex boyfriend and an intimidating crime ring of geriatric gangsters For young Andy charting the path to true love will take sheer ingenuity *Lovesick* Angeles Mastretta, 1997 Grant Snee Reinhardt Charitable Foundations **Lovesick** Katie Cross, 2021-02-14 Lizbeth There s one thing I m absolutely convinced of romance is real and true love is a force for good in the world I have 957 paperback romance novels in my attic bedroom that prove it When my world crashes down around me and JJ Bailey shows up he lays down the ultimate challenge prove romance is real The fact that JJ thinks romance is a farce only makes me more determined to prove him wrong Romance is real and love saves the day Hold my spreadsheets JJ Life has gotten kind of stagnant Then Lizbeth literally crashes into my world with her ideas of storybook romance and love Her silky red hair drives me to distraction What the hell is a meet cute anyway Romance does not save the world I ve been there Failed at that My parents divorce has convinced me that not even love can survive real life Perpetual bachelorhood looks pretty safe to me Except Lizbeth is determined to help me see the light of love I m not about to let her win our little challenge because I know the truth Forget her books I ll show her that romance is a construct and love hurts **LOVESICK** is the second novel in the Coffee Shop series This is a clean standalone second in series contemporary romance with sizzle and spice but no sex scenes Guaranteed bantering and happily ever after **Lovesick** Sally Brampton, 1995 *Lovesick* Manu Bhat Bhat (author), 1901 **Love Sick** Jake Coburn, 2007 After an accident seems to end his college and athletic dreams Ted is offered a second chance at school if he agrees to spy on a classmate and help her father monitor her bulimia **Lovesick Japan** Mark D. West, 2011-08-15 In *Lovesick Japan* Mark D West explores an official vision of love sex and marriage in contemporary Japan A comprehensive body of evidence 2 700 court opinions describes a society characterized by a presupposed absence of physical and emotional intimacy affection and personal connections In compelling poignant and sometimes horrifying court cases West finds that Japanese judges frequently opine on whether a person is in love what other emotions a person is feeling and whether those emotions are appropriate for the situation Sometimes judges views about love sex and marriage emerge from their presentation of the facts of cases Among the recurring elements are abortions forced by men compensated dating late life divorces termination fees to end affairs sexless couples Valentine s Day heartbreak soapland bath brothels and home wrecking hostesses

Sometimes the judges analysis decisions and commentary are as revealing as the facts Sex in the cases is a choice among private normal sex which is male dominated conservative dispassionate or nonexistent commercial sex which caters to every fetish but is said to lead to rape murder and general social depravity and a hybrid of the two which commodifies private sexual relationships Marriage is contractual judges express the ideal of love in marriage and proclaim its importance but virtually no one in the court cases achieves it Love usually appears as a tragic overwhelming emotion associated with jealousy suffering heartache and death

Febris Erotica Valeria Sobol,2011-05-01

The destructive power of obsessive love was a defining subject of eighteenth and nineteenth century Russian literature In Febris Erotica Sobol argues that Russian writers were deeply preoccupied with the nature of romantic relationships and were persistent in their use of lovesickness not simply as a traditional theme but as a way to address pressing philosophical ethical and ideological concerns through a recognizable literary trope Sobol examines stereotypes about the damaging effects of romantic love and offers a short history of the topos of lovesickness in Western literature and medicine Read an interview with the author http://www.rorotoko.com/index.php/article_valeria_sobol_interview_febriserotica_lovesickness_russian_literary_imagin

Library Journal *Descendants of Waverley* Martha F. Bowden,2016-08-11 *Descendants of Waverley* examines contemporary novelists combination of historical authority and narrative art to create authentic and accessible depictions of the past This technique the romance of history challenges conventional theories that the novel as a genre erased the romance Individual chapters establish the critical framework analyze the strategies that authors use to romance history and demonstrate the subgenres that exist in current historical fiction While the author does not consider Walter Scott to be the inventor of historical fiction she demonstrates the ways in which contemporary fiction s techniques reflect the form of the genre that Scott both developed and theorized in the *Waverley* novels 1814 1832 In writing his historical romances Scott

drew on the forms of the fictions that preceded his work especially Gothic fiction and was influenced by the fluid definitions of romance that permeated the theorizing of the novel and its development in the eighteenth century where fiction was described as evolving from and replacing romances and referred to as romances themselves She begins by tracing this history and moves on to discuss contemporary fiction both as technique in the uses of intertextuality and in as form in the increasing hybridity of contemporary fiction This hybridity is reflected in such forms as the historical detective novel the embedded narrative and the biographical novel the pedagogical elements inherent in the historical novel before Scott s oeuvre continue into the present The book ends with the recent phenomenon of historical fantasy in this subgenre the traits of more conventional historical fiction such as intertextuality and the tension between the familiar and strange combine with a playful form of fantasy that releases revenants among the Luddites and wizards into the Battle of Waterloo John Frow s theory of the slipperiness of genre is a critical component for explicating the most recent metamorphoses of historical fiction The critical framework also develops from recent and eighteenth century histories of the novel twentieth and twenty first century theories of Scott s influence and contemporary writers own reflections on what they do when they write historical novels
