

A woman with long, flowing blonde hair is seated on a large rock, leaning her back against the trunk of a large, dark tree. She is wearing a long, white, flowing dress with gold-colored trim along the edges of the sleeves and the bodice. She is looking off to the right with a serene expression. The background is a lush green forest with sunlight filtering through the trees.

Kinney,2017-05-15 The last twenty five years have seen exciting new developments in scholarly work on Lady Mary Wroth whose Urania and Pamphilia to Amphilanthus constitute the first romance and the first sonnet sequence to be published by an Englishwoman Wroth s

writings enter into a suggestive and gendered dialogue with the lyric and narrative works of her uncle Sir Philip Sidney even as they carve out a place for her own literary experiments This volume gathers together some of the most striking recent criticism addressing Wroth's oeuvre many of its essays also discuss the intellectual and cultural contexts in which she wrote The collection is prefaced by an extended editorial overview of scholarship in the field *Passionate Love Stories under the Stars* Hseham Amrahs,2023-12-31 Step into the embrace of the night and embark on a celestial journey where love takes center stage In this enchanting collection *Intimate Love Stories Under the Stars* passion unfolds beneath the cosmic expanse weaving tales of romance that transcend time and space Each story is a celestial dance of hearts set against the backdrop of a shimmering night sky filled with stars that bear witness to whispered confessions stolen kisses and the profound connections between lovers These narratives delve into the universal language of love exploring its diverse expressions across cultures and ages From timeless classics to contemporary tales the collection invites readers to explore the boundless beauty of love where emotions are as infinite as the stars themselves Whether beneath the moonlit glow or amidst the quiet stillness of a starry night these intimate stories illuminate the enduring power of connection reminding us that love's luminescence shines brightest under the celestial canopy *Intimate Love Stories Under the Stars* is a celestial celebration of love's everlasting glow inviting readers to lose themselves in the enchantment of romance beneath the watchful eyes of the universe *Love and its Place in Virtue* Christine Swanton,2024-08-19 In *Love and its Place in Virtue* Christine Swanton argues for an original position on the relations between love and virtue and love and virtue ethics For this task the distinction between love as an emotion or emotional orientation and virtuous forms of love is central as is the role of a conception of practical wisdom in virtuous love How love features in virtue in general including virtues which are not virtues of love is the central theme This book integrates virtue ethics with a renewed interest in the role of love in ethics Until now virtue ethics and philosophical accounts of love have been separate fields In Swanton's account of love she argues that there are many criteria for love which feature in various ways in the different forms of love Central is the distinction between relational love between individuals and lovingness in its various forms as a fundamental emotional orientation towards the world as a whole a Grundstimmung *Love and its Place in Virtue* discusses foundational love universal love self love and dwelling love some of the impartial virtues of love notably universal beneficence impartial caring and forgiveness as well as the relation between love and the personal virtue of justice arguing that though justice is a virtue of respect it should be loving
