Lubov The Heart Of The Beloved:

Lubov Catherine de Hueck Doherty,1985 Staritsa Donald A. Guglielmi,2017-12-07 The present book is the first work to highlight Catherine Doherty s vocation to spiritual motherhood Drawing upon primary archival sources the author traces Catherine s development as a staritsa or spiritual mother in the Russian Eastern tradition Of particular interest are the chapters dealing with Catherine s exercise of spiritual motherhood for priests and laity alike Previously unpublished letters of spiritual direction between Catherine and her major spiritual directors offer the reader a privileged glimpse into the soul of this servant of God and her spiritual children as she grows in her vocation as staritsa For example in one striking letter Catherine describes how she guided a disillusioned young priest who was struggling with a drinking problem and temptations involving young women and was bordering on despair With clenched teeth I sailed into him first gently almost caressingly calling him back to Christ he once loved then more sternly then quietly He left full of thanks and some hope
