teams in 1945 Or Steelers owner Art Rooney postponing a game in 1938 because of injuries These are just a few of the little known facts Dan Daly unearths in recounting the untold history of pro football in its first half century These decades were also full of ideas and experimentation such as the invention of the modern T formation that revolutionized offense unlimited player substitution and soccer style kicking as well as the emergence of televised pro football as prime time entertainment Relying on obscure sources original interviews old game films and statistical databases Daly s extensive research and engaging stories bring the NFL s formative years and pro football s folk roots to life *Guide to Reprints 2002* Irene Izod,2001-10 Marty Glickman Jeffrey S.
