Lucky We Found Each Other:

Yellow Roses, Precious Songs Regina Bianco Cosenza, 2011-12 In Long Island and New York City during the prosperous 1970s life was good It was a time of plenty plenty of jobs plenty of money plenty of hope for all and everything seemed right with the world For Anna Maria Bellone a vibrant college graduate from Long Island it was also a time to begin her career with a prominent NYC insurance firm It was not long before she met the captivating Andrew Moore who quickly swept her into his life and his soul They enjoyed everything their beautiful city had to offer but the secrets he held close and the events of one fateful evening shook their relationship almost beyond repair Was it possible that all they had shared and built together could be so easily destroyed in a matter of moments Could romance end so swiftly leaving only broken lives and bittersweet memories behind Anna relied on her strength and the love that was born below the shadows of the Manhattan skyline She prayed that her faith would help Andrew heal emotionally while she physically recovered from the night that forever changed them But Andrew had a different idea To save her further misery he was convinced that if he put half a country between them his plan would be successful Could their love overcome the circumstances that tried to separate them Was it possible for a love founded in the shadows to blossom in the sunshine of happily ever after **The Vonnegut**

The world of flashing cameras and public scrutiny was one I had never wanted to enter, and I still didn't. Then I met Carter Hills, magnetic, charming, and haunted by a past full of scars, and everything I thought I knew about love came crashing down. Our chemistry was undeniable, an intoxicating pull neither of us could resist. But his fame came with risks I had never faced before. Whispers of betrayal, relentless scrutiny, and buried secrets threatened to pull us apart before our story even began. With the weight of his world pressing down, I had to ask myself: Could love survive at this cost? *Forevermore* is a heart-stirring tale of passion, sacrifice, and the courage to love against all odds, the breathtaking conclusion to April and Carter's love story in the *Heart Song* duet. Enemies to friends to lovers, he falls first. Small town grumpy x sunshine, found family. Perfect for fans of emotional books, contemporary love stories, realistic fiction, enemies to lovers, grumpy x sunshine, small town, he falls first, found family tropes. Fans of Nichols Sparks, Mia Sheridan, Paige Toon, Colleen Hoover, and Rebecca Yarros will be delighted. **Heart Song** Emmanuelle Snow, 2021-05-27 Our banter was electric. Fueled by equal parts hate and desire. And as intoxicating as our chemistry, I had one simple goal: escape my life for a month. Destination: a quiet cabin in the mountains I never expected to run straight into the one man who would turn all my plans and my heart upside down. Carter Hills. One man I never thought I'd argue with until I did. Constantly infuriatingly. And yet impossible to ignore. I moved in next door, thinking I could keep my distance. But Carter was everywhere. Grinning at me like he owned the place. Like he owned me. Single, broken, and not looking for trouble, I was a walking disaster for temptation. The worst. He hid who he really was. On purpose. All this time I thought my moody, hot-as-hell neighbor was just another man I'd pass by, never realizing how completely he would consume me. From the first spark of our feud, he pushed me, provoked me, tested me, yet he kept coming back for more. Every single time. And no matter how hard I tried to fight it, I couldn't ignore the pull between us. Every accidental touch, every heated glance, every impossible moment of closeness made pretending we weren't drawn together harder and harder. Could I risk everything for a taste of the fire between us, or should I run before I got burned? A small town, enemies to lovers, romance full of sizzling tension, heart-stopping passion, and a love you'll never see coming. Grumpy x sunshine, enemies to lovers, small town charm, found family, he falls first. It begins where *False Promises* ends. The book can be enjoyed on its own, with or without reading *False Promises* first. *Heart Song* is perfect for the readers.
