Medicine Of My Time:

Searching For The Best Medicine: The Life And Times Of A Doctor And Patient Arthur Bank,2013-04-30 This book describes the life and times of a physician scientist over the last half century Part One is about the author s struggle with colon cancer and the lessons he learnt from the experience Part Two is about his life growing up the pretzel bakery his family being educated at Bronx Science Columbia College Harvard Medical School and his medical training at the Boston City Hospital and the NIH Part Three the major portion of the book describes the author s experiences as a practicing physician and hematologist at Columbia Presbyterian Medical Center over 40 years It also presents his views on what it takes to be a good doctor and to practice good medicine Part Four is about medicine today the crisis in medical care and in obtaining affordable health insurance in the United States and potential solutions to these problems And finally it also describes the author s views on how changes in America over the past few decades have transformed our society from that of the meritocracy as known in the early days to that of the present society dominated by financial considerations

The growth of medicine from the earliest times to about 1800 Albert H. Buck,2022-08-21 In The Growth of Medicine from the Earliest Times to About 1800 Albert H Buck meticulously chronicles the evolution of medical practices and theories from ancient civilizations through the threshold of the modern era Employing a rich narrative style intertwined with a comprehensive analytical lens Buck illuminates the complex interplay of cultural religious and scientific influences shaping medicine over millennia His methodical examination reveals the gradual shift from superstition based practices to more empirical approaches setting a foundational understanding for the revolutionary developments that followed in the 19th century Albert H Buck an esteemed physician and historian brings a wealth of knowledge and personal experience to his exploration of medical history Growing up in an era ripe for transformation in medical practice Buck was witness to the clash between traditional methodologies and burgeoning scientific inquiry His scholarly pursuits were driven by a passion for understanding the historical context of medicine as he sought to bridge the gap between the past and the rapid advancements of his own time I highly recommend this seminal work to both medical professionals and history enthusiasts alike Buck s well researched narrative not only enriches our understanding of the medical field s past but also provides essential insights into its future trajectory Engaging and informative this book is a must read for anyone interested in the roots of contemporary medicine

WHEN SPIRITUALITY AND MEDICINE DISCONNECT Glenda F. Hodges,2014-08-05 When Jesus asked the lame man at the pool of Siloam if he wanted to be whole his question embodied the entirety of God s promise While representative of the ideal state of physical health wholeness in minds body and spirit is also the foundation of God s health promise In order to fully embrace this phenomenon it is necessary to understand its meaning This book engages the reader in easy to understand spiritual and medical concepts while systematically outlining wholeness in five succinct chapters Each chapter builds upon the succeeding one and culminates with the reader celebrating God s promise of prospering in health

This book speaks to individuals through God's word promotes personal reflections as the truth of the word unfolds and awakens a spirit of blessed assurance in the validity of God promises Read it and be blessed **Medical Times and Gazette** ,1865 Journal of Special Operations Medicine , Medicine The Dirty Profession Dr. Nabil Basanti,2019-03-22 Don't Trust Your Doctor Do you know what to do when a loved one gets sick Or do you know how to handle medical information that a doctor gives you And furthermore can you trust what your doctor tells you Medicine the Dirty Profession is a real life story of a medical doctor who stumbled in the dirt of the medical profession while trying to achieve his dreams Through this book Dr Nabil Basanti exposes incidents and episodes from his heroic medical practice in an underdeveloped country to the dirty and greedy medical environment in the civilized world In Medicine the Dirty Profession you will learn Behind the scenes knowledge of how some doctors are practicing How to prepare for an appointment with a doctor or specialist by equipping yourself with tools to keep you safe and guide you to receive the best treatment when you or your loved ones get sick The real reason why wait times for receiving an MRI are so long A story of triumph over adversity Dr Basanti informs the reader of what is happening in the medical profession and advises on how to navigate the medical environment with honest and horrifying examples from his own experience in the field and how these were diligently handled
