Grigsby,2010-05-26 Interest in the middle ages is at an all time high at the moment thanks in part to The Da Vinci Code Never has there been a moment more propitious for a study of our misconceptions of the Middle Ages than now Ranging across religion art and science Misconceptions about the Middle Ages unravels some of the many misinterpretations that have evolved concerning the medieval period including the church war science art society With an impressive international array of contributions the book will be essential reading for students and scholars involved with medieval religion history and culture Internal Colonization in Medieval Europe Felipe Fernandez-Armesto,James Muldoon,2017-05-15 Around the year

1000 Rodulfus Glaber described France as being in the throes of a building boom He may have been the first writer to perceive the early medieval period as a Dark Age that was ending to be replaced by a better world In the articles gathered here distinguished medieval historians discuss the ways in which this transformation took place European society was becoming more stable the climate was improving and the population increasing so that it was necessary to increase food production These circumstances in turn led to the cutting down of forests the draining of wetlands and the creation of pastures on higher elevations from which the glaciers had retreated New towns were established to serve as economic and administrative centers These developments were witness to the processes of internal colonization that helped create medieval Europe **A Cultural History of the Senses in the Middle Ages** Richard G. Newhauser,2014-10-23

Understanding the senses is indispensable for comprehending the Middle Ages because both a theoretical and a practical involvement with the senses played a central role in the development of ideology and cultural practice in this period For the long medieval millennium the senses were not limited to the five we think of speech for example was categorized among the senses of the mouth And sight and hearing were not always the dominant senses for the medical profession taste was more decisive Nor were the senses only passive receptors they were understood to play an active role in the process of perception and were also a vital element in the formation of each individual s moral identity From the development of specifically urban or commercial sensations to the sensory regimes of holiness from the senses as indicators of social status revealed in food to the Scholastic analysis of perception this volume demonstrates the importance of sensory experience and its manifold interpretations in the Middle Ages A Cultural History of the Senses in the Middle Ages presents essays on the following topics the social life of the senses urban sensations the senses in the marketplace the senses in religion the senses in philosophy and science medicine and the senses the senses in literature art and the senses and sensory media *Costumes, oeuvres d'art et ustensiles depuis le commencement du moyen âge jusqu'à la fin du dix-huitième siècle* Jakob Heinrich von Hefner-Alteneck,1887 A Day in a Medieval City Chiara Frugoni,2005-09 An opportunity to experience the daily hustle and bustle of life in the late Middle Ages A Day in a Medieval City provides a captivating dawn to dark account of medieval life A visual trek through the thirteenth and fourteenth centuries with seasoned medieval historian Chiara Frugoni as guide this book offers a vast array of images and vignettes that depict the everyday hardships and commonplace pleasures of people
