When I Was Five I Killed Myself Howard Buten, 2014-07-01 A graceful and brilliant novel leads the reader on a journey through childhood autism that proves enlightening as well as fascinating ForeWord Magazine Burton Rembrandt has the sort of perspective on life that is almost impossible for adults to understand the perspective of an eight year old And to Burt his parents and teachers seem to be speaking a language he cannot understand This is Burt's story as written in pencil on the walls of the Quiet Room in the Children's Trust Residence Center where he lands after expressing his ardent feelings for a classmate It begins When I was five I killed myself In this rediscovered modern classic from one of France's best loved contemporary writers Howard Buten renders with astounding insight and wry language the tale of a troubled or perhaps just perfectly normal young boy testing the boundaries of love and life Time Buten uses his wit like a whip to get at the heart of this boy's own story bringing some shock and some power to that delicate line between youth and the rest of the world The Austin Chronicle This psychologically intense tale moves quickly and the difficult task of creating a child's voice with authenticity and depth proves Buten a gifted stylist and storyteller an imaginative and provocative book Publishers Weekly starred review Certainly Buten offers some insight into a troubled child's mind The New York Times Book Review
