

NEW YORK CENTRAL

A black and white photograph of the front of a New York Central steam locomotive. The locomotive is viewed from a low angle, looking up at the large, riveted smokestack. The number '5441' is prominently displayed on a plaque just below the smokestack. Below the number is a circular emblem with the text 'NEW YORK CENTRAL' and 'ESTD 1825'. The locomotive's boiler is covered in rivets, and various pipes and structural elements are visible. The background is a plain, light-colored sky.
