Farrar, 2019-10-25 Gabi When I was seventeen years old I was told to stay away from Cole Devonport Kids like him only ever meant trouble I should have listened but I didn't and surprise surprise I was the one who got hurt But escaping Cole didn't mean the end of my pain Life has a way of screwing me over and after joining the Army as a way of forgetting him I suffered a loss I'll never recover from So now here I am back in the town I ran away from with my alcoholic father apparently looking after me The last thing I need is Cole showing up on my doorstep because nothing has changed with his prison tattoos and don't screw with me edge Cole Devonport still means trouble Cole I let everyone down all those years ago I made mistakes and I'm not proud of them but I've done my time and now I just want to keep my head down and get on with my life I thought I was doing exactly that until I heard Gabriella Weston was back in town Despite what she thought I was always in love with

her She might hate me but whether she knows it or not she also needs me I want to make it up to her but with my past still trying to pull me down perhaps it would be best if I just stayed the hell away like she keeps telling me to Problem is I can't seem to resist her and I'm the type of guy who always gets what he wants
