PERCEPTIONS & EVOCATIONS PB Elihu Vedder, 1979-03-17 **Perceptions and Evocations** Jane Dillenger, Joshua Charles Taylor, Richard Murray, 1978 **Perceptions and Evocations** Elihu Vedder, Joshua Charles Taylor, Jane Dillenger, Richard Murray, National Collection of Fine Arts (U.S.), Brooklyn Museum, 1979 *The Art of Elihu Vedder* Elihu Vedder, National Collection of Fine Arts (Washington, D.C.), 1978 **American Dreams** Williams College. Museum of Art, 2001 Williams College in Williamstown MA has collected art since the mid 19th century In this chronological journey through American art in all media each of 56 highlighted objects from the museum receives a mini essay of several hundred words signed by contributors who frequently are the acknowledged experts on particular artists or works A full factual entry on each work appears at the back of the book preceded by extremely brief summaries of the acquisitions histories of the overall collection s painting drawing sculpture Williams portraits prints photographs posters and decorative arts College alumni donated many items including collections on Rube Goldberg Thomas Nast and the Prendergasts This is not the definitive book on American art but it is an excellent survey with many interesting objects not commonly reproduced For art history collections 64 colour 65 b w illustrations **The Grove Encyclopedia of American Art** Joan M. Marter, 2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries **Melville and His Circle** William B. Dillingham, 2008-09-01 Herman Melville is a towering figure in American literature arguably the country s greatest nineteenth century writer Revising a number of entrenched misunderstandings about Melville in his later years this is a remarkable and unprecedented account of the aged author giving himself over to a life of the mind Focusing exclusively on a period usually associated with the waning of Melville s literary powers William B Dillingham shows that he was actually concentrating and intensifying his thoughts on art and creativity to a greater degree than ever before Biographers have written little about Melville s deceptively quiet years after the publication of the long poem *Clarel* in 1876 and before his death in 1891 It was a time when he saw few friends or acquaintances answered most of his letters as briefly as possible and declined most social invitations But for Melville as for Emily Dickinson such outward appearances belied an intense engaged inner life If for no other reason Dillingham reminds us this period merits more discerning attention because it was then that Melville produced *Billy Budd* as well as an impressive number of new and revised poems while working full time as a customs inspector for more than half of those years What sustained Melville during that final period of ill health and near poverty says Dillingham was his circle not of close friends but of works by a number of writers that he read with appreciative yet discriminating affinity including Matthew Arnold James Thomson Arthur Schopenhauer and Honore de Balzac Dillingham relates these readings to Melville s own poetry and prose and to a rich variety of largely underappreciated topics relevant to Melville s later life from Buddhism the School of Pessimism and New York intellectual life to Melville s job at the ever corrupt customs house his fear of disgrace and increased self absorption and

his engagement with both the picturesque and the metaphorical power of roses in art and literature This portrait of the great writer s final years is at once a biography an intellectual history and a discerning reading of his mature work By showing that Melville s isolation was a conscious intellectual decision rather than a psychological quirk Melville and His Circle reveals much that is new and challenging about Melville himself and about our notions of age and the persistence of imagination and creativity Paintings and Sculpture in the Collection of the National Academy of Design: 1826-1925 David Bernard

Dearinger,National Academy of Design (U.S.),2004 This is the first installment of a fully illustrated catalogue of the Academy s priceless collection of paintings and sculptures **Tales from the Easel** ,2004 Tales from the Easel features seventy full color reproductions that convey the expressive allusive powers of narrative painting Though they range widely in subject and setting all of the paintings gathered here are rendered in a representational or realistic style Carrying moral social or patriotic messages the paintings are meant to teach enlighten or inspire Then again the paintings can also tweak the very conventions that define them with results that range from the delightfully idiosyncratic to the visionary Thomas Hart Benton Winslow Homer Andrew Wyeth and Jacob Lawrence are just some of the household names whose work appears in Tales from the Easel Others like Elihu Vedder and Lilly Martin Spencer are less well known but still vital to the development of narrative painting While some of the artists including George Caleb Bingham and Paul Cadmus were classically trained self taught painters such as Carlos Shoney Moon and Thomas Waterman Wood are also represented American rivers cities and battlefields are among the native surroundings shown in many of the paintings However artists also looked elsewhere for settings to Europe the Holy Land or even some imagined realm Charles C Eldredge s essay discusses the rich and varied sources of American narrative painting from literature and history to childhood and domestic life and an essay by William Underwood Eiland provides a discussion of the southern tale telling tradition Artist biographies by Reed Anderson and Stephanie J Fox appear opposite the paintings adding further context Tales from the Easel a companion volume to the national touring exhibit of the same name is a stunning reminder of a tradition in American painting that has endured across two centuries and numerous art movements For America Jeremiah William McCarthy,Diana Thompson,2019-01-01

Featuring paintings by American icons like Winslow Homer and Thomas Eakins this book illustrates the ways American artists have viewed themselves their peers and their painted worlds over 200 years Art Books Wolfgang M.

Freitag,2013-10-28 First published in 1997 For this second edition of Art Books A Basic Bibliography of Monographs on Artists the vast number of new books published since 1985 was surveyed and evaluated This has resulted in the selection of 3 395 additional titles These selections reflective of the increase in the monographic literature on artists during the last ten years are evidence of the activities of a larger number of art historians in more countries worldwide of the increasingly diverse and ambitious exhibition programs of museums whose number has also increased dramatically and also of a lively international art market and the attendant gallery activities The selections of the first edition have been reviewed errors have

been corrected and important new editions and reprints have been noted The second edition contains 278 names of artists not represented in the first edition **Republics and empires** Melissa Dabakis,Paul H. D. Kaplan,2021-08-17 Republics and empires provides transnational perspectives on the significance of Italy to American art and visual culture and the impact of the United States on Italian art and popular culture Covering the period from the Risorgimento to the Cold War it reveals the complexity of the visual discourses that bound two relatively new nations together It also gives substantial attention to literary and critical texts that addressed the evolving cultural relationship between Italy and the United States While American art history has tended to privilege French British and German ties these chapters highlight a rich body of contemporary research by Italian and American scholars that moves beyond a discussion of influence as a one way directive towards a deeper understanding of cultural transactions that profoundly affected the artistic expression of both nations
