Happiness From Within: Small Joys That Multiply Naturally Okechukwu Divine Obioma, 2025-09-13 Happiness doesn't come from chasing bigger goals or acquiring more; it grows from within, nurtured by the small joys we often overlook. This book guides you to create lasting happiness by learning how to notice, savor, and multiply those everyday moments. You'll discover how gratitude, kindness, and presence can transform ordinary days into deeply fulfilling ones. Each chapter offers simple practices that help you find lightness in your routine, peace in your pauses, and joy in connections with others. Instead of tying happiness to achievements or possessions, you'll learn how to cultivate it as a steady state of being. Over time, these small joys multiply, shifting your mindset and strengthening your resilience. This book reminds you that happiness isn't out there waiting; it's already inside you, ready to grow when you pay attention to what matters most. **Pride and Toil** Chinedu Nnadi, 2025-08-06 Lila and Liam were born side by side, but life would drag them in opposite directions. When a tragic accident claims their parents, the twin siblings are left with nothing but each other and a decaying house clinging to memory. Lila, grounded and relentless, rolls up her sleeves and faces the world head-on. She scrubs floors, sells vegetables, and sacrifices her dreams all to keep her and her brother alive. Every sunrise, she fights with calloused hands and quiet courage. Liam, charming but entitled, refuses to soil his pride with menial work. He scoffs at Lila's grit, convinced he's destined for greatness despite having no plan, no income, and no intention of trying. Years pass. Lila finds love and a second chance at the education she gave up. Before she leaves, she hands Liam her last savings, a final act of sisterly hope. But hope runs out fast. Liam spirals into desperation, clinging to excuses as everything else slips away. Pride kept him from work. Now it can't save him from hunger. When their paths cross again, it's on opposite ends of the street. Lila, a determined student chasing a future. Liam, a broken man with an empty bowl. **Pride and Toil** is a haunting story of love, labor, and the cruel price of ego. In a world where dreams are earned, not given, one sibling rises through sacrifice while the other sinks under the weight of wasted chances. Will regret come too late? Or can rock bottom spark redemption. **The Sign of Freedom** Arthur Frederick Goodrich, 1916 The New Jerusalem Magazine, 1855 Includes Journal of the Massachusetts Association of the New Jerusalem Church *Change Your Life, Change the World* Ryuho Okawa, 2013-11-01 Spiritual leader and bestselling author Master Ryuho Okawa calls out to people of all nations to remember their true spiritual roots and accept that all of humanity, regardless of race, religion, or culture, was originally part of one gigantic family tree called the Cosmic Tree. *Change Your Life, Change the World* is a message of hope and urgency.
