Quotable Cyclist:

The Quotable Cyclist Bill Strickland, 2001 All the best things ever said about bicycling First time in paper Over 50 new quotes
The Best of Bicycling Peter Flax, Editors of Bicycling Magazine, 2011-11-15 Bicycling magazine celebrated its 50th anniversary in 2011 For half a century the magazine has been the world's leading authority on bicycling bringing its readers the latest advice and some of the most sharp and illuminating sports stories ever told To celebrate Bicycling's rich tradition of top notch narratives Editor in Chief Peter Flax has selected a collection of its best pieces The 19 stories anthologized here are simply the best stories the magazine has ever published and they feature some of the best writers working today including Christopher McDougall Mary Roach and Bill Strickland There are more than a few unforgettable profiles of legendary cyclists and there are pieces that brilliantly demonstrate the transformative powers of riding a bike There is comedy suffering beauty and existential angst as well as writing that will make you smile and maybe break your heart too

Cycling - Philosophy for Everyone Jesús Ilundáin-Agurruza, Michael W. Austin, 2011-01-11 Covering interesting and varied philosophical terrain *Cycling Philosophy for Everyone* explores in a fun but critical way the rich philosophical cultural and existential experiences that arise when two wheels are propelled by human energy Incorporates or reflects the views of high profile and notable past professional cyclists and insiders such as Lennard Zinn Scott Tinley and Lance Armstrong Features contributions from the areas of cultural studies kinesiology literature and political science as well as from philosophers Includes enlightening essays on the varieties of the cycling experience ranging from the ethical issues of success women and cycling environmental issues of commuting and the transformative potential of cycling for personal growth Shows how bicycling and philosophy create the perfect tandem Includes a foreword by Lennard Zinn author and owner of Zinn Cycles Inc
Wheels of Her Own Carla R. Lesh, 2024-04-03 Women used automobiles as soon as they had access to them Black Indigenous and White American women utilized the automobile to improve their quality of life and achieve greater freedom These women shared unique concerns and common aims as they negotiated their way through a time when advocacy for social change was undergoing a resurgence The years that brought the automobile to the United States 1893 1929 also brought increased legal and social restrictions based on racism and gender stereotypes For women the automobile was a useful tool as they worked to improve their quality of life The automobile provided a means for Black Indigenous and White women to pull away from limitations and work toward greater freedom Exploring these key issues and more this book is a history and social exploration of women and the automobile during the early automotive era

The War of the Wheels Jeremy Withers, 2017-04-13 Amid apocalyptic invasions and time travel one common machine continually appears in H G Wells's works the bicycle From his scientific romances and social comedies to utopias futurological speculations and letters Wells's texts abound with bicycles In *The War of the Wheels* Withers examines this mode of transportation as both something that played a significant role in Wells's personal life and as a literary device for creating elaborate characters and complex themes Withers traces Wells's ambivalent relationship with the bicycle throughout his writing While he celebrated it as a singular and astonishing piece of technology and continued to do so long after his contemporaries abandoned their enthusiasm for the bicycle he was not an unwavering promoter of this machine Wells acknowledged the complex nature of cycling its contribution to a growing dependence on and fetishization of technology and its role in humanity's increasing sense of superiority Moving into the twenty first century Withers reflects on how the works of H G Wells can serve as a valuable locus for thinking through many of our current issues and problems related to transportation mobility and sustainability
