Rabbinic Views Of Kohelet Mellen Biblical Press Series V 57:

Rabbinic Views of Qohelet Ruth N. Sandberg, 1999 A study of the variety of Rabbinic interpretations of the Biblical Book of Qohelet with special attention to the ways in which Rabbinic and medieval Jewish Biblical interpretation had to reinterpret the original text's meaning in order to accommodate it to normative Jewish beliefs **Religio-Philosophical Discourses in the Mediterranean World** Anders Klostergaard Petersen, George H. van Kooten, 2017-03-13 This first volume of the new Brill series Ancient Philosophy Religion is a collection of articles by scholars of Classics Ancient Philosophy and Ancient Judaism and Early Christianity The articles are based on papers presented at two colloquia on the interface between Ancient Philosophy and Religion at the universities of Aarhus and Cambridge They focus extensively on Platonic philosophy and piety and sketch an emerging religio philosophical discourse in ancient Judaism both in the Sibylline Oracles and 4 Maccabees Furthermore this volume studies Seneca's religio philosophical understanding of consolation compares early depictions of Jesus with those of ancient philosophers and finally reconsiders responses of pagan philosophers to Christianity from the second century to Late Antiquity **Absurdity and Meaning in Contemporary Philosophy and Jewish Thought** Alan L. Mittleman, 2023-11-02 Explores the search for life's meaning in contemporary philosophy and in Jewish thought bringing the two into mutual respectful conversation The Politics of Pessimism in Ecclesiastes Mark R. Sneed, 2012-02-27 Scholars attempt to resolve the problem of the book of Ecclesiastes heterodox character in one of two ways either explaining away the book's disturbing qualities or radicalizing and championing it as a precursor of modern existentialism This volume offers an interpretation of Ecclesiastes that both acknowledges the unorthodox nature of Qoheleth's words and accounts for its acceptance among the canonical books of the Hebrew Bible It argues that instead of being the most secular and modern of biblical books Ecclesiastes is perhaps one of the most religious and primitive Bringing a Weberian approach to Ecclesiastes it represents a paradigm of the application of a social science methodology **American Book Publishing Record**, 2001 Qoheleth's Hope Brian Neil Peterson, 2019-10-18 Pessimist Hedonist Skeptic Fatalist Scholars have used these and a variety of other pejoratives to describe Qoheleth the author of the book of Ecclesiastes But are these monikers fair assessments of this formative book of the Hebrew wisdom tradition Brian Neil Peterson challenges this dominant scholarly perspective by arguing that Qoheleth's message is more optimistic than it appears He insists that Qoheleth a realist who recognizes that the world is broken due to the Fall in Genesis 3 is instructing his readers to live life to the fullest in the fear of God despite the presence of injustice oppression and futility experienced on a daily basis Due to the fleeting nature of life Qoheleth offers hope to his readers and urges them to put God first and enjoy God's good gifts not as a destination in life but rather as part of one's earthly journey Ecclesiastes and the Meaning of Life in the Ancient World Arthur Keefer, 2022-04-14 In this book Arthur Keefer offers a timely assessment of Ecclesiastes and what it has to do with the meaning of life Drawing on recent psychological research he argues that this Hebrew Bible text associates the meaning of

life with various types of suffering in life Keefer here situates Ecclesiastes within its ancient intellectual world Offering an analysis of contemporary texts from Egypt Mesopotamia Greece he demonstrates that concerns about meaning and suffering were widespread in the greater Mediterranean world Ecclesiastes however handled the matters of suffering and meaning in an unprecedented way and to an unprecedented degree With its rigorous commitment to precise definitions of life s meaning Keefer s book provides a comprehensive set of definitions for the meaning of life as well as a conclusive point of reference for interpreters of Ecclesiastes It also opens avenues for the interdisciplinary interpretation of texts from the ancient world

Irony and Meaning in the Hebrew Bible Carolyn J. Sharp, 2008-12-23 Was God being ironic in commanding Eve not to eat fruit from the tree of wisdom Carolyn J Sharp suggests that many stories in the Hebrew Scriptures may be ironically intended Deftly interweaving literary theory and exegesis Sharp illumines the power of the unspoken in a wide variety of texts from the Pentateuch the Prophets and the Writings She argues that reading with irony in mind creates a charged and open rhetorical space in the texts that allows character narration and authorial voice to develop in unexpected ways Main themes explored here include the ironizing of foreign rulers the prostitute as icon of the ironic gaze indeterminacy and dramatic irony in prophetic performance and irony in ancient Israel s wisdom traditions Sharp devotes special attention to how irony destabilizes dominant ways in which the Bible is read today especially when it touches on questions of conflict gender and the Other

Reallexikon für Antike und Christentum Franz Joseph Dölger, Jan Hendrik Waszink, Theodor Klauser, Hans Lietzmann, Ernst Dassmann, Georg Schöllgen, Leopold Wenger, Christian Hornung, 1950 Ecclesiastes, Volume 23A Roland E. Murphy, 2018-05-29 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author s own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author s notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features

important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary

Search for Meaning David Birnbaum, Martin S. Cohen, The Book of Deuteronomy depicts Moses addressing Israel before his own death as he imagines that some day in the future children will ask their parents to explain the meaning of the testimonies statutes and judgments Deuteronomy 6 20 that are the foundation of the covenant that binds Israel to its God He thus frames in specifically Jewish terms the same set of haunting intimations that all thoughtful people bring to the contemplation of their own lives and indeed to life itself the sense that being alive can or should mean more than merely not being dead that the contemplation of even the most banal features of daily life can yield rich insight about the nature of existence and the feeling that life itself can be understood as a kind of scrim that might allow us to see through it to the secrets and mysteries that lie beyond That set of hopeful suppositions inspires moderns just as strongly and enticingly as it did the ancients Yet the specific question of what it actually means for this or that part of life to mean anything at all other than what it overtly is or at least appears to be does not seem to have exerted anywhere near as siren a call on our ancient forebears as it does on us moderns Still as we seek meaning in the world and in our lives it behooves us to ponder the meaning of meaning as well These twin notions that life has meaning beyond what the casual observer can see easily and that the effort to uncover and decipher that meaning can be profound enough to be spiritually transformational have animated the contributors to this volume as their work demonstrates just how meaningful the search for meaning can be Some have approached this from a spiritual point of view grounding themselves in traditional biblical talmudic or mystical sources Others have framed their efforts in political terms or in deeply personal ones And still others have attempted to consider the issue through the lens of modern philosophical inquiry But regardless of the specific perspective of any individual author all have in common the deep seated conviction that life bears meaning and that that meaning can best be discovered not by spending a lifetime hoping for momentary satori but rather by standing on the shoulders of fellow travelers from earlier eras and from that slightly elevated vantage point seeing just a bit further than they could or did For almost all of our authors then the search for meaning is best understood as an ongoing intergenerational effort that links the seekers of all ages to each other through the contemplation of earlier efforts to mine profundity and significance from the quarry of human life itself It is at best a slow march forward As readers will see from the Table of Contents the ancient Book of Kohelet has served several of our authors as the framework for their interpretive work Kohelet is the Hebrew name of the biblical book also known as Ecclesiastes which name is derived from the Greek translation of the

work Others have chosen to grapple with the question Moses imagined future Jewish children eventually putting to their parents as they wondered what the commandments actually mean in terms of the larger picture of Israelite culture and Jewish life in our own day Still others have addressed the search for meaning in life today by taking into account the question of human suffering considering the issue both generally as a philosophical challenge and³ Preface more specifically with reference to the Shoah Taken all together the contributors to this volume have put forth the notion that life is ennobled not trivialized by the contemplative effort to seek meaning in the ebb and flow of life's experiences and particularly in those life experiences related to the service of God And yet for all they are united in that conviction our authors in this volume of the Mesorah Matrix series are nonetheless a diverse group older and younger women and men North Americans and Israelis living at home and abroad seasoned scholars and newly minted rabbis and teachers They are teachers and researchers trained in different schools of thought and affiliated with different movements and institutions within the mosaic of Jewish life that characterizes the House of Israel as it enters by its own reckoning the final quarter of the fifty eighth century They are a varied lot our authors But in many ways they are all of them cut from the same cloth Our authors work with the original sources and generally present them in their own translations Citations of NJPS refer to the complete translation of Scripture first published under the title Tanakh The Holy Scriptures by the Jewish Publication Society in Philadelphia in 1985 In this volume as in all books in the Mesorah Matrix series the four letter name of God is generally represented by the Eternal or Eternal God Authors who are specifically discussing the actual four letter name on the other hand may occasionally depart from this usage in order to more clearly make the point of their argument I would like to take this opportunity to acknowledge the other senior editors of the Mesorah Matrix series David Birnbaum and Rabbi Benjamin Blech as well as Rabbi Saul J Berman our associate editor They and our able staff have all supported me as I've labored to bring this volume to fruition and I am grateful to them all As always I must also express my gratitude to the men and⁴ Martin S Cohen women and particularly to the lay leadership of the synagogue I serve as rabbi the Shelter Rock Jewish Center in Roslyn New York Possessed of the unwavering conviction that their rabbi's book projects are part and parcel of his service to them and through them to the larger community of those interested in learning about Judaism through the medium of the well written word they are remarkably supportive of my literary efforts as author and editor I am in their debt and I am therefore very pleased to acknowledge that debt formally here and wherever I publish my own work or the work of others
