**This isn't just a daycare,  
It's like a second home.  
Our children aren't just cared for,  
You love them like your own.**

**They learn life lessons every day,  
Strong values you enforce.  
You make the learning fun with play,  
Your spirit sets their course.**

**They love the way you read to them  
And sing those silly songs.  
In this special place that you create,  
They feel that they belong.**

**So thank you from deep within our hearts,  
For words cannot express,  
The gratitude that we have for you  
And your safe and caring nest.**

**Yet Another Home** Peter Jailall, 1997-01-15 There are but few poets capable of touching us socially politically and economically However Peter Jailall is one of these limited few Kofi Casisi teacher poet **Second Home** Randy Blasing, 2001 Poetry Randy Blasing's poems are at once tranquil and unsettling condensed and expansive His images are deceptively clear and sharp for time and again in these poems memory is folded back upon itself The result is a series of poignant juxtapositions of present and past as one house town or episode becomes its own antitype half a world away Rachel Hadas Blasing is the author of five previous collection of poetry including THE PARTICLES which is available at SPD Blasing has few if any rivals when it comes to writing gut wrenching lyrical poetry A delightful collection simultaneously tender and strong and always graceful Booklist **Sea, Sands, Poems, Pictures** Cooper and Romagnoli, 2011-06 **Smash Poetry Journal** Robert Lee Brewer, 2019-03-19 A Poetry Journal to Poem Your Days Away Don't wait for inspiration to strike Whether you're an aspiring or published poet this book will help you get in a frame of mind to make creative writing a consistent part of your life With prompts from Robert Lee Brewer's popular Writer's Digest blog Poetic Asides you'll find 125 ideas for writing poems along with the journaling space you need to respond to the prompt 125 unexpected poetry prompts such as from the perspective of an insect about a struggle or including the word change Plenty of blank space to compose your own poems Tips on unique poetic forms and other poetry resources Perfectly sized to carry in a backpack or purse you can jot down ideas for poems as you're waiting in line for a morning coffee or take it to the park for a breezy afternoon writing session Wherever you are your next poem is never more than a page turn away **Rodney's Room-Rhyming Poetry about Things Under the Sun** John Pearsall, 2012-02 I have always been interested in rhyming poetry I even have a tattered copy of the old One Hundred One Famous Poems where there is to my way of thinking some of the greatest use of the language other than the Holy Bible Such poems as Trees by Kipling and Laugh and the World Laughs With You have been an inspiration to me for many years Every where I have been in church schools work or Lodge over the past seventy years I have written poetry about something In this book I have written about many things I have either seen in my office remembered from my past or have seen out my office window *Collected Poems* Galway Kinnell, 2017-12-05 The essential collection by the Pulitzer Prize and National Book Award winner who was one of the true master poets of his generation The New York Times In the words of Galway Kinnell it is the poet's job to figure out what's happening within oneself to figure out the connection between the self and the world and to get it down in words that have a lasting shape that have a chance of lasting With this deeply probing and restlessly curious sensibility Kinnell spends decades producing some of American poetry's most beloved and revered works This comprehensive volume includes Kinnell's expansive poem of immigrant life on the Lower East Side of New York The Avenue Bearing the Initial of Christ into the New World his incantatory book length poem The Book of Nightmares and a searing evocation of Hiroshima in The Fundamental Project of Technology It covers the iconic

themes of Kinnell's middle years: eros, family and the natural world in works such as *After Making Love We Hear Footsteps*, *The Bear*, *Saint Francis* and *the Sow and Blackberry Eating*. And includes the unflinchingly introspective work of his later years. Spanning six decades, this is the essential collection for old and new devotees of Galway Kinnell, a poet of the rarest ability who can flesh out music, raise the spirits and break the heart. *Boston Globe*. [A Little Black Book of Poetry](#) Johnathon Siering, 2024-01-18 *A Little Black Book of Poetry* is about the things in life that get overlooked, lost chances and ideas we should reflect on in the form of poetry that is fit to reread for years to come. **The Cambridge Companion to Seamus Heaney** Bernard O'Donoghue, 2008-12-18 Seamus Heaney is a unique phenomenon in contemporary literature as a poet whose individual volumes such as his *Beowulf* translation and individual volumes of poems such as *Electric Light* and *District and Circle* have been high in the bestseller lists for decades. Since winning the Nobel Prize for Literature, he has come to be considered one of the most important English language poets in the world. This Companion gives an overview of his career and of his reception in Ireland, England and around the world. Its distinguished contributors offer detailed readings of his major publications in poetry, prose and translation. The essays further explore the central themes of his poetry, his relations with other writers and his prose writing. Designed for students, this volume will also have much to interest and inform the general reader and admirer of Heaney's unique poetic voice. **The American Landscape in the Poetry of Frost, Bishop, and Ashbery** M. MacArthur, 2008-08-04 Robert Frost, Elizabeth Bishop and John Ashbery stand out among major American poets; all three shaped the direction and pushed the boundaries of contemporary poetry on an international scale. Drawing on biography, cultural history and original archival research, MacArthur shows us that these distinctive poets share one surprisingly central trope in their oeuvres: the Romantic scene of the abandoned house. This book scrutinizes the popular notion of Frost as a deeply rooted New Englander; demonstrates that Frost had an underestimated influence on Bishop, whose preoccupation with houses and dwelling is the obverse of her obsession with travel; and questions dominant anti-biographical readings of Ashbery as an urban identified poet. As she reads poems that evoke particular landscapes and houses lost and abandoned by these poets, MacArthur also sketches relevant cultural trends, including patterns of rural de-settlement, the transformation of rural economies from agriculture to tourism, and modern America's increasing mobility and rootlessness. *The Cambridge History of Islam: Volume 2B, Islamic Society and Civilisation* P. M. Holt, Ann K. S. Lambton, Bernard Lewis, 1977-04-21 This is a most comprehensive and ambitious collaborative survey of Islamic history and civilization. [A marriage settlement ; A start in life ; A second home ; Modeste Mignon ; The hated son ; The atheist's mass](#) Honoré de Balzac, 1900. **Selected Poems: Tennyson** Alfred Lord Tennyson, 2007-12-06 Tennyson's poetry epitomizes the Victorian age for which he became a spokesman. His finest poems are often steeped in a sensuous melancholy as in *Maud* or are chivalric, heroic and allegorical as in *The Lady of Shalott* and *Morte d'Arthur*. [American Heritage Poetry Collection](#) LTC Roy E. Peterson, 2012-12-18 *American Heritage* contains a comprehensive collection of the best poetry previously published in

three volumes *Beyond Darkness and Light* Guardian Angel and *American Heartland Poetry* Roy Peterson is the quintessential poetry and prose author hearkening back to the great poets in the Pantheon that is the American Heritage of Poetry Compare his works to Wordsworth Longfellow Poe and Frost for subject variety style variations and readable yet complex thought integration making him the poet of and for everyone *The Early Poetry of Charles Wright* Robert D. Denham, 2009-01-27 This companion covers Charles Wright's first two trilogies *Country Music* 1982 and *The World of the Ten Thousand Things* 1990 providing biographical details information on Wright's sources and influences and historical notes It pays special attention to the way that Wright's poems work together and the links that are formed between them While each poem is given its own commentary the author argues that they work together in a concentrated whole to document a man's spiritual journey *Poet Saints of India* Sumita Roy, 1996 **Indian English Poetry and Fiction** Amar Nath Prasad, Rajiv K. Mallik, 2007 **Naked Poetry** Robert G. Longpre, 2022-05-14 This third collection of *Naked Poetry* was written in Puerto Morelos Mexico This third collection of naturist poetry shares the same foundation as the first two volumes the embracing of a naturist philosophy meditation and depth psychology If one dares to see the physical reality of oneself perhaps an acceptance of the truths that one finds in one's body it will give a person the strength and courage to look even deeper beneath the skin to come to terms with the authentic self that each of us keeps hidden within Stripping away clothing is just one step perhaps the first vital step towards becoming a whole person Beneath the clothing is just skin something that all humans share Yet we hide that basic natural state as if our natural selves are somehow shameful perhaps even evil We cling desperately to clothing with the idea that our clothing defines us Our identity is placed upon these clothes which we wear to push others away from the vulnerable and soft center within which lays within each of us our eternal self our soul None of us is able to find soul in things outside of our natural body not in our clothing not in our possessions not in our work or play not in our rituals and addictions or in our relationships with others We can only find our soul by daring to turn our gaze back onto ourselves and into ourselves **Flavian Poetry and its Greek Past** Antonios Augoustakis, 2014-01-16 *Flavian Poetry and its Greek Past* breaks new ground by investigating the close interaction between Flavian poetry and Greek literary tradition and by evaluating the meaning of this affiliation in the socio-political and cultural context of the late first century CE Authors examined include Martial Silius Italicus Statius and Valerius Flaccus Their interaction with Greek literature is not just thematic or geographical the Greek literary past is conceived as the poetic influence of a variety of authors periods and genres such as Homer the Cyclical tradition Greek lyric poetry Greek tragedy Hellenistic poetry and aesthetics and Greek historiography **Poems of the English Race** Raymond Macdonald Alden, 1921 **Short Form American Poetry** Will Montgomery, 2020-06-18 Reading a century of American poetry through the prism of short form this book analyses the centrality of an aesthetic of brevity to American modernist verse
