Secret In The Woods:

Secret in the Woods , The Secret Wood Kaye Payton-Wright,2010-06-17 This is a delightful book which tells the story about The Secret Wood the everyday happenings of woodland life the birds animals and the environment How a special rabbit uses his animal skills and sensitivity to guide others through lifes maze Wild animals and family pets each feature in the tale and the importance of the natural habitat Human kindness plays a key role and there are times of sadness and joy The story remains positive throughout with compassion and wisdom children and adults will be sure to warm to it The Secret Wood holds many stories and wonders which can be revealed when we allow ourselves to sit listen watch and wait and just BE Secret of the Woods William J. Long,2006-05 *Munsey's Magazine* ,1909 **Secret of the Woods** William J. (William Joseph) Long,2018-06-28 Secret of the Woods by William J William Joseph Long This little book is but another chapter in the shy wild life of the fields and woods of which Ways of Wood Folk and Wilderness Ways were the beginning It is given gladly in answer to the call for more from those who have read the previous volumes and whose letters are full of the spirit of kindness and appreciation Many questions have come of late with these same letters chief of which is this How shall one discover such things for himself how shall we too read the secrets of the Wood Folk There is no space here to answer to describe the long training even if one could explain perfectly what is more or less unconscious I would only suggest that perhaps the real reason why we see so little in the woods is the way we go through them talking laughing rustling smashing twigs disturbing the peace of the solitudes by what must seem strange and uncouth noises to the little wild creatures They on the other hand slip with noiseless feet through their native coverts shy silent listening more concerned to hear than to be heard loving the silence hating noise and fearing it as they fear and hate their natural enemies We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

Voyage to Himavat Navdeep Jethi,2022-01-06 The one who is born has to die Is it applicable to human existence and the blue planet on which we live I am Shankar the ancient sailor Once upon a time when there were no Himalayas or the holy Ganga when even the humans were not the masters of the earth we had to escape towards a new destination in a vast ocean during the great war of nature and its creature to build the youngest mountain of the world But the voyage of life is not over yet as two new species are already evolving to replace humans after their extinction from the earth Vaidyanath a snow white

physician of secret woods has declared me a peace warrior and a researcher of a secret to save the existence of the human race on this earth Will it be possible for me First of all I have no desire to be a saint or Baba and secondly I have little knowledge about pralaya If the world is proceeding to a destructive war what can a mortal human do about it Especially if he is not a politician baba or Superman Everything is unclear This voyage was not set in an ocean but in this new mortal body to search for the true meaning of being alive
