Together they fight in a war of fighting and a war of words in this epic sequel to *The Assassins of Italy* **Each Night, I Die: Reload** Cheese, 2016-01-30 *EACH NIGHT I DIE* is the author's true story about how he and his family coped as best they could with his confused and destructive leap into manhood until one by one they could cope no more. On the other hand, it shows that an absent father, a poor working mother, neighborhood of despair, inadequate education, and destructive streets do not have to determine the fate of every urban child in America; that fate lies within. The author's life is a microcosm of many southern families who migrated North in search of a better life. This book is for everyone regardless of ethnicity or background and relates to all human emotions. It's about tragedy and triumph, hope and hopelessness, addiction and recovery, faith and fear, life and death, choices and consequences, so it appeals to a diverse audience. A man is not finished when he is defeated; he is only finished when he himself throws in the towel. The author believes his message is a timely one and our past is over and should not enslave us for the rest of our lives. No one is beyond the power of redemption, and I believe my life was spared to tell my story as I remember all of the many lives lost to drugs, prison, and violence, not to mention the potentials that ended all too soon in a cold, damp grave. [Maids of Dishonour](#) Caroline Newark, 2025-05-28 From the excitements of life in the royal palaces to Norwich and the scene of an armed rebellion, *Maids of Dishonour* is Caroline Newark's latest historical fiction novel navigating through fourteen years of turbulent Tudor rule. **Wartime Twins** Robert Angstorm, 2016-08-20 The book is founded on the stories told by the author's older relatives about their wartime exploits. How they were sent away to the countryside when the bombs started to fall and how different life was compared to Portsmouth and London. The older ones told some of their adventures in France and Germany. This book is based on the many stories I have heard these during my earlier years and it left a lasting impression on my mind. Some of it is true while some of it is fiction. In part, the book is a tribute to the memory of the storytellers, now sadly long gone, whose stories gave me the inspiration to write. The book tells the story of two twins as they journey from blissful childhood through the horrors of war and their friendships and loves they develop along the way. Set between 1939 and 1945, it will give the reader a very different view of life as a young adult from what can be experienced today. **Raven Cursed** Faith Hunter, 2012-01-03 The vampires of Asheville, North Carolina, want to establish their own clan, but since they owe loyalty to the Master Vampire of New Orleans, they must work out the terms with him. To come up with an equitable solution, he sends an envoy with the best bodyguard blood money can buy, Jane Yellowrock. But when a group of local campers are attacked by something fanged, Jane goes from escort to investigator. Unless she wants to face a very angry mast vampire, she will have to work overtime to find the killer. It's a good thing she's worth every penny. [My Other Car Is a Greyhound Bus](#) Richard Samonte, 2024-07-10 Have you ever wondered what it would be like to drive a big bus, maybe even a Greyhound bus? Rich Samonte did, and you will follow him through training as well as the exciting experiences he encountered in the twelve years he drove for Greyhound.
