School Library Journal As a fan of this book and its companion *The Long Way to a New Land*, put it! The books describe the difficulty and dangers of the journey in a way that is non-complaining and full of optimism for a new life in America. Teachers, these books are wonderful for integrating with other subjects and topics such as immigration, westward expansion, steamships, trains, geography, and American life in the 1860s. Author/artist Joan Sandin's grandfather was born in Sweden and immigrated to Wisconsin with his parents in 1882 when he was only two. Joan herself spent time in Sweden and did extensive research to create her well-loved classic books about the immigrant experience.
