

Longest War

John A. Gentry

Longest War:

The Longest War Dilip Hiro, 1991 First Published in 1991 Routledge is an imprint of Taylor Francis an informa company

The Longest War Peter L. Bergen, 2011-06-28 New York Times bestselling author Peter Bergen's definitive account of al Qaeda's evolution since 9 11 and the U S government's responses Omar Al-Bashir and Africa's Longest War Paul L. Moorcraft, 2015-04-30 President Omar al Bashir is Africa's and arguably Arabia's most controversial leader In power since 1989 he is the first sitting head of state to be issued with an arrest warrant for war crimes by International Criminal Court He has been a central personality in Islamic and African politics as well as a love to hate figure for the US in the war on terror For military history readers Al Bashir is a field marshal who has fought possibly the world's longest conflict Modern Sudan has been embroiled in war since 1955 No proper biography has been written on him before Nor has there been a comprehensive military history of Sudan The book briefly covers the military background until independence Then it dissects the long north south civil war until Bashir's Islamist military coup in 1989 Thereafter it narrates the wars in the east south west in Darfur International political and military intervention is also factored in The author draws on in depth one on one interviews with Bashir himself and his family and close political military and intelligence colleagues **The Long War** Andrew J. Bacevich, 2009-06-22 Essays by a diverse and distinguished group of historians political scientists and sociologists examine the alarms emergencies controversies and confusions that have characterized America's Cold War the post Cold War interval of the 1990s and today's Global War on Terror The developments of this Long War have left their imprint on virtually every aspect of American life and by considering the period as a whole this volume is the first to take a truly comprehensive look at America's response to the national security crisis touched off by the events of World War II Contributors consider topics ranging from grand strategy and strategic bombing to ideology and economics and assess the changing American way of war as the twentieth century progressed They evaluate the evolution of the national security apparatus and the role of dissenters who viewed the activities of that apparatus with dismay and they take a fresh look at the Long War's civic implications and its impact on civil military relations More than a military history The Long War examines the ideas policies and institutions that have taken shape since the United States claimed the role of global superpower In breaking down the old and artificial boundaries that have traditionally divided the postwar period into neat historical units this volume offers fresh perspectives on the current state of American national security The Long War David Loyn, 2025-09-23 Just as U S soldiers and diplomats pulled out of Afghanistan supposedly concluding their role and responsibility in the two decade conflict the country fell to the Taliban In The Long War award winning BBC foreign correspondent David Loyn uncovers the political and military strategies and failures that prolonged America's longest war Three American presidents tried to defeat the Taliban sending 150 000 international troops at the war's peak with a trillion dollar price tag But early policy mistakes that allowed Osama bin Laden to escape made the task far more difficult Deceived

by easy victories they backed ruthless corrupt local allies and misspent aid The story of The Long War is told by the generals who led it through the hardest years of combat as surges of international troops tried to turn the tide Generals which include David Petraeus Stanley McChrystal Joe Dunford and John Allen were tested in battle as never before With the reputation of a warrior monk McChrystal was considered one of the most gifted military leaders of his generation He was one of two generals to be fired in this most public of commands Holding together the coalition of countries who joined America's fight in Afghanistan was just one part of the multi dimensional puzzle faced by the generals as they fought an elusive and determined enemy while responsible for thousands of young American and allied lives The Long War goes behind the scenes of their command and of the Afghan government The fourth president to take on the war Joe Biden ordered troops to withdraw in 2021 twenty years after 9 11 just as the Taliban achieved victory leaving behind an unstable nation and an unforeseeable future

Afghanistan's Violent Decades Stanley B. Sprague, 2024-10-24 This book examines the key political and military events in Afghanistan from 1978 to August 2021 It covers the Afghan Soviet war and how that war was followed by an Afghan Civil War that made the country receptive to the rise of the Afghan Taliban It explains how the Taliban secured control of Afghanistan's government and permitted Osama bin Laden to reside in the country while he secretly planned an attack on the American mainland It also covers why Osama bin Laden's al Qaeda terrorists on September 11 2001 flew hijacked airliners into New York City's World Trade Center and the Pentagon It describes how American and NATO forces responded by invading Afghanistan to destroy al Qaeda and to overthrow the Taliban government The 20 year Afghan NATO war which followed would lead to American troops suffering 2 488 dead and 20 722 wounded This book is one of the first to cover this long war written after the war ended in August 2021 giving it a new perspective It offers an even handed coverage of the war based on Taliban American and British sources

15 Years of War Kristine Schellhaas, 2019-02-20 First time author Schellhaas presents a moving memoir of her life with her husband Ross after he is deployed to Iraq after the events of 9 11 Publishers Weekly Less than 1 percent of our nation will ever serve in our armed forces leaving many to wonder what life is really like for military families He answers the call of duty in Afghanistan Iraq and the Pacific she keeps the home fires burning Worlds apart and in the face of indescribable grief their relationship is pushed to the limits 15 Years of War provides a unique he said she said perspective on coping with war in modern day America It reveals a true account of how a dedicated Marine and his equally committed spouse faced unfathomable challenges and achieved triumph from the days just before 9 11 through fifteen years of training workups deployments and other separations This story of faith love and resilience offers insight into how a decade and a half of war has redefined what it means to be a military family A tough minded but open hearted memoir a frank description of what it takes for a spouse and family to support a soldier The Schellhaases story is deeply personal and unique but it will resonate with other families both civilian and military Foreword Magazine Kristine Schellhaas is a beautiful and transcendent voice of truth and consequence and her memoir 15 Years of War should be

required reading for every American who wants to understand just exactly what they have asked of the chosen 1 percent
Angela Ricketts author of No Man's War Irreverent Confession of an Infantry Wife **Landpower in the Long War** Jason W. Warren, 2019-06-14 War and landpower's role in the twenty first century is not just about military organizations tactics operations and technology it is also about strategy policy and social and political contexts After fourteen years of war in the Middle East with dubious results a diminished national reputation and a continuing drawdown of troops with perhaps a future force increase proposed by the Trump administration the role of landpower in US grand strategy will continue to evolve with changing geopolitical situations Landpower in the Long War Projecting Force After 9 11 edited by Jason W Warren is the first holistic academic analysis of American strategic landpower Divided into thematic sections this study presents a comprehensive approach to a critical aspect of US foreign policy as the threat or ability to use force underpins diplomacy The text begins with more traditional issues such as strategy and civilian military relations and works its way to more contemporary topics such as how socio cultural considerations effect the landpower force It also includes a synopsis of the suppressed Iraq report from one of the now retired leaders of that effort The contributors made up of an interdisciplinary team of political scientists historians and military practitioners demonstrate that the conceptualization of landpower must move beyond the limited operational definition offered by Army doctrine in order to encompass social changes trauma the rule of law acquisition of needed equipment civil military relationships and bureaucratic decision making and argue that landpower should be a useful concept for warfighters and government agencies **Defence Diplomacy in the Long War**

Patrick Blannin, 2017-08-28 One of the most dominant security issues of the twenty first century has been the US led battle against transnational terrorism the aptly named Long War Over the past fifteen years the Long War has been examined using multiple perspectives However one central mechanism is missing in current Long War analyses defence diplomacy Defence diplomacy enhances the diplomatic and security capacity of a state providing the only link between executive office and the ministries of foreign affairs and defence two vital institutions in the Long War Using a case study of US defence diplomacy in Afghanistan from 2001 to 2014 the paper argues simply that the practice of defence diplomacy far outweighs current theories on what it is how it works and why it matters The paper aims to generate a more nuanced understanding of defence diplomacy as well as identify it as a key component of the US CT COIN strategy to achieve their Long War policy objectives

Unfolding the Future of the Long War Christopher G. Pernin, Brian Nichiporuk, Dale Stahl, Justin Beck, Ricky Radaelli-Sanchez, 2008-12-16 The United States is currently engaged in a military effort that has been characterized as the long war This study explores the concept of long war and identifies ways in which it might unfold as well as the implications for the Army and the U S military more generally This report uses the generation of either trajectories or alternative paths in which the long war might unfold to explore the implications for the U S military **Wars of Revelation** Rebecca Lissner, 2021-10-26 As American foreign policy experts anticipate a new Cold War with China there is no better time to

reflect on the evolution of the United States grand strategy during its decades long contest with Russia Lissner shows that military interventions in Korea Vietnam and Iraq were crucibles for American foreign policy in the latter half of the 20th century testing strategic axioms on the battlefield and compelling adjustments to Washington's conception of its global role In each case these wars of revelation provided searing insights into the capabilities and intentions of America's most dangerous international adversaries as well as the potential and limits of its own national power By centering her narrative of post World War II American foreign relations on these pivotal episodes Lissner provides an historically rich and theoretically compelling narrative that will interest readers keen to understand the past present and future of US grand strategy

The Four Ages of American Foreign Policy Michael Mandelbaum, 2022 Independence 1765 1788 In the shadow of the French Revolution 1788 1815 The continental republic 1815 1865 Great power debut 1865 1914 The offshore balancer 1914 1933

The arsenal of democracy 1933 1945 The contest of systems 1945 1953 War improbable peace impossible A superpower dies in bed The new world order 1990 2001 Back to the future 2001 2015

America in White, Black, and Gray Klaus P. Fischer, 2007-05-30 Numerous studies on various aspects of the issues of the 1960s have been written over the past 35 years but few have so successfully integrated the many sided components into a coherent synthetic and reliable book that combines good storytelling with sound scholarly analysis

Vietnam George Donelson Moss, 2020-12-30 Now in its 7th edition Vietnam An American Ordeal continues to provide a thorough account of the failed American effort to create a viable non Communist state in Southern Vietnam Unlike most general histories of U S involvement in Vietnam which are either conventional diplomatic or military histories this volume synthesizes the perspectives to explore both dimensions of the struggle in greater depth elucidating more of the complexities of the U S Vietnam entanglement It explains why Americans tried so hard for so long to stop the spread of Communism into Indochina and why they failed In this new edition George Donelson Moss expands and refines key moments of the Vietnam War and its aftermath including the strategic and diplomatic background for United States involvement in Indochina during World War II how the French with British and American support regained control in southern Vietnam Saigon and the vicinity in the fall 1945 the account for the formation of SEATO and the account of the Sino Vietnamese War of 1979 The text has also been revised and updated to align with recently published monographic literature on the time period The accessible writing will enable students to gain a solid understanding of how and why the United States went to war against The Democratic Republic of Vietnam and why it lost the long bitter conflict This book will be of interest to students and scholars of American history the history of foreign relations and the Vietnam War itself

How Wars Are Won and Lost John A. Gentry, 2011-11-10 This provocative book seeks to answer a most crucial and embarrassing question concerning the U S military why the United States is so often stymied in military confrontations with seemingly weaker opponents despite its superpower status This fascinating book examines a question that continues to puzzle soldiers statesmen and scholars why do major powers including the ostensible superpower

United States repeatedly perform poorly against seemingly overmatched adversaries And what can they and the United States do to better achieve their military objectives How Wars are Won and Lost Vulnerability and Military Power argues that beyond relying solely on overwhelming military might the United States needs to focus more on exploiting weaknesses in their adversaries such as national will resource mobilization and strategic miscues just as opposing forces have done to gain advantage over our military efforts The author tests the vulnerability theory by revisiting six conflicts from the Philippine War of 1899 1902 to the ongoing actions in Iraq and Afghanistan showing again and again that victory often depends more on outthinking the enemy than outmuscling them **American Propaganda from the Spanish-American War to Iraq**

Steven R. Brydon, 2021-11-01 In this book Steven R Brydon analyzes American war propaganda spanning from the Spanish American War through the wars in Afghanistan and Iraq Brydon argues that many of these wars were fought based on false or misleading narratives beginning with blaming Spain for the sinking of the Maine and continuing most recently with charges that Saddam Hussein had weapons of mass destruction and was involved in the terrorist attacks of September 11 Research has shown that well told stories can affect the public's beliefs attitudes and actions and Brydon has identified some of these recurring stories that have been told to support and sustain each war during this time period Using Fisher's narrative paradigm Brydon critically evaluates these war stories to determine if they possessed narrative coherence and fidelity that provided good reasons to go to war rather than simply the appearance of these qualities The responsibility Brydon stresses is on the media and on academics to view future war narratives through a critical lens in order to best inform the American people Scholars of media studies history military studies American studies and international relations will find this book particularly useful The Icarus Syndrome Peter Beinart, 2010 In The Icarus Syndrome Peter Beinart tells a tale as old as the Greeks a story about the seductions of success Beinart describes Washington on the eve of three wars World War I Vietnam and Iraq three moments when American leaders decided they could remake the world in their image Each time leading intellectuals declared that history was over and the spread of democracy was inevitable Each time a president held the nation in the palm of his hand And each time a war conceived in arrogance brought untold tragedy In dazzling colour Beinart portrays three extraordinary generations the progressives who took America into World War I led by Woodrow Wilson the lonely preacher's son who became the closest thing to a political messiah the world had ever seen The Camelot intellectuals who took America into Vietnam led by Lyndon Johnson who lay awake night after night shaking with fear that his countrymen considered him weak And George W Bush and the post cold war neoconservatives the romantic bullies who believed they could bludgeon the Middle East and liberate it at the same time Like Icarus each of these generations crafted wings a theory about America's relationship to the world They flapped carefully at first but gradually lost their inhibitions until giddy with success they flew into the sun But every era also brought new leaders and thinkers who found wisdom in pain They reconciled American optimism our belief that anything is possible with the realities of a world that will never fully

bend to our will In their struggles lie the seeds of American renewal today Based on years of research The Icarus Syndrome is a provocative and strikingly original account of hubris in the American century and how we learn from the tragedies that result

A Concise History of U.S. Foreign Policy Joyce P. Kaufman, 2021-07-06 Now in a fully updated edition that goes through the Trump administration and the election and formative period of the Biden administration this compact and accessible introduction offers a historical perspective on the evolution of U S foreign policy from the founding of the country to the present Joyce P Kaufman provides students and general readers with a clear and concise understanding of key foreign policy decisions and why they were made She identifies the major themes that have guided foreign policy and the reasons that the United States pursued certain policies in the context of specific periods in the nation s history Kaufman focuses on the major actors involved in the making of foreign policy and the changing relationships among them She also explains the major theoretical perspectives within international relations and contextualizes key foreign policy decisions as they fit these frameworks This edition puts a particular focus on the creation of Cold War foreign policy and why the end of the Cold War has continued to be such a challenge to the United States Kaufman concludes with a look at the challenges the United States will continue to face including existential threats such as climate change and disease and how Americans can be prepared to address them

Blitzkrieg to Desert Storm Robert M. Citino, 2022-05-25 When Germany launched its blitzkrieg invasion of France in 1940 it forever changed the way the world waged war Although the Wehrmacht ultimately succumbed to superior Allied firepower in a two front war its stunning operational achievement left a lasting impression on military commanders throughout the world even if their own operations were rarely executed as effectively Robert Citino analyzes military campaigns from the second half of the twentieth century to further demonstrate the difficulty of achieving decisive results at the operational level Offering detailed operational analyses of actual campaigns Citino describes how UN forces in Korea enjoyed technological and air superiority but found the enemy unbeatable provides analyses of Israeli operational victories in successive wars until the Arab states finally grasped the realities of operational level warfare in 1973 and tells how the Vietnam debacle continued to shape U S doctrine in surprising ways Looking beyond major power conflicts he also reveals the lessons of India s blitzkrieg like drive into Pakistan in 1971 and of the senseless bloodletting of the Iran Iraq War Citino especially considers the evolution of U S doctrine and assesses the success of Desert Storm in dismantling an entrenched defending force with virtually no friendly casualties He also provides one of the first scholarly analyses of Operation Iraqi Freedom showing that its plan was curiously divorced from the realities of military history grounded instead on nebulous theories about expected enemy behavior Throughout Citino points to the importance of mobility especially mobilized armor in modern operational warfare and assesses the respective roles of firepower training doctrine and command and control mechanisms Brimming with new insights Citino s study shows why technical superiority is no guarantee of victory and why a thorough grounding in the history of past campaigns is essential to anyone who wishes to understand modern warfare

Blitzkrieg to Desert Storm provides that grounding as it addresses the future of operational level warfare in the post 9 11 era

The Persian Puzzle Kenneth Pollack, 2005-08-09 In his highly influential book *The Threatening Storm* bestselling author Kenneth Pollack both informed and defined the national debate about Iraq Now in *The Persian Puzzle* published to coincide with the twenty fifth anniversary of the Iran hostage crisis he examines the behind the scenes story of the tumultuous relationship between Iran and the United States and weighs options for the future Here Pollack a former CIA analyst and National Security Council official brings his keen analysis and insider perspective to the long and ongoing clash between the United States and Iran beginning with the fall of the shah and the seizure of the American embassy in Tehran in 1979 Pollack examines all the major events in U S Iran relations including the hostage crisis the U S tilt toward Iraq during the Iran Iraq war the Iran Contra scandal American Iranian military tensions in 1987 and 1988 the covert Iranian war against U S interests in the Persian Gulf that culminated in the 1996 Khobar Towers terrorist attack in Saudi Arabia and recent U S Iran skirmishes over Afghanistan and Iraq He explains the strategies and motives from American and Iranian perspectives and tells how each crisis colored the thinking of both countries leadership as they shaped and reshaped their policies over time Pollack also describes efforts by moderates of various stripes to try to find some way past animosities to create a new dynamic in Iranian American relations only to find that when one side was ready for such a step the other side fell short With balanced tone and insight Pollack explains how the United States and Iran reached this impasse why this relationship is critical to regional global and U S interests and what basic political choices are available as we deal with this important but deeply troubled country

Embracing the Melody of Expression: An Mental Symphony within **Longest War**

In a global eaten by monitors and the ceaseless chatter of instantaneous communication, the melodic elegance and mental symphony developed by the published word frequently disappear into the back ground, eclipsed by the constant noise and interruptions that permeate our lives. But, set within the pages of **Longest War** a stunning fictional value full of fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, this captivating masterpiece conducts viewers on a mental trip, well unraveling the concealed tunes and profound impact resonating within each cautiously constructed phrase. Within the depths with this emotional assessment, we shall investigate the book is central harmonies, analyze its enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Longest War Introduction

Longest War Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Longest War Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Longest War : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Longest War : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Longest War Offers a diverse range of free eBooks across various genres. Longest War Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Longest War Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Longest War, especially related to Longest War, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Longest War, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Longest War books or magazines might include. Look for these in online stores or libraries. Remember that while Longest War, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Longest War eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Longest War full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle

Unlimited or Scribd offer subscription-based access to a wide range of Longest War eBooks, including some popular titles.

FAQs About Longest War Books

What is a Longest War PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Longest War PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Longest War PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Longest War PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Longest War PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
