Autobiography: A Fragment F. Max Müller, 2022-09-16 F Max Müller's *My Autobiography A Fragment* offers a poignant glimpse into the life and thoughts of one of the most important figures in the study of comparative religion and philology during the 19th century. Written in a reflective style, the autobiography showcases Müller's intellectual journey alongside his personal and professional struggles. Delving into his formative years, his scholarship on the sacred texts of various religions, and his pioneering contributions to linguistics, this fragment reveals the intricate tapestry of Victorian inquiry that shaped his worldview and methodologies. Through a combination of eloquent prose and insightful commentary, Müller not only entertains but deeply engages readers with the transformative power of language and belief systems. Born in 1823 in Dessau, Germany, F Max Müller was a prodigious scholar whose passion for languages emerged early in his life. His experiences in the intellectual circles of Europe, coupled with his immersion in Eastern texts, led him to advocate for the understanding of the world's religions through a comparative lens. Müller's extensive work on the Vedas and his influential place in the Oriental Renaissance reflect the cultural vignettes of a man committed to bridging Eastern and Western philosophies. Readers drawn to rich historical contexts and those seeking a profound understanding of religious studies will find Müller's autobiography an enlightening read. It is not only a window into the life of a scholar but also a testament to the enduring quest for knowledge and the complexities of cultural exchange in an era of profound intellectual exploration.

Once Upon a Rose Laura Florand, 2015-01-26 She stole his roses. Fleeing the spotlight, burnt-out rock star Layla Belle Dubois seeks refuge in the south of France. That old half-forgotten heritage in a valley of roses seems like a good place to soothe a wounded heart. She certainly doesn't expect the most dangerous threat to her heart to pounce on her as soon as she sets foot on the land. He wants them back. Matt didn't mean to growl at her quite that loudly. But his roses. She can't have his roses. Even if she does have all those curls and green eyes and and and what was he growling about again? Or maybe he just wants her. When an enemy invades his valley and threatens his home, heart, and livelihood, Matthieu Rosier really knows only one way to defend himself. It might involve kissing. And that might be just the start. Praise for Laura Florand's novels: A poignant, lovely, moving, authentic story. Virginia Kantra, NYT bestselling author. Sweet, sexy, and all-around delicious.
