Gross, 2010 What is Death Is it a person a place a feeling Is it good or bad Is there a tunnel that we travel through and go toward the light Do children think about Death differently than adults Is Death our friend or our enemy Is Death dark as night or a blazing white light This is a collection of drawings by participants in my Death Dying and Bereavement classes and workshops Included are children social workers students artists nurses and other healthcare professionals Their instructions were simply Draw Death These drawings illustrate a variety of emotions including fear and sadness to hope and healing **THIS IS WHAT DEATH LOOKS LIKE** **Facing Death with Hope** David Powlison, 2008-10-31 Is a life threatening illness a major life change or just plain old age forcing you to face your own mortality Probably like most of us you d rather not think or talk about your own death But ignoring your death won t stop it from happening the mortality rate is still 100% David Powlison explains why you don t have to take this **Death, the Last God** Anne Geraghty, 2014-11-28 Anne Geraghty was a clinical psychologist and psychotherapist when her son Tim Guest author of My Life in Orange died suddenly Her old life ended She went on a search for her lost son Where was he What was he Did he live on in some other realm Or had he fallen into the darkness of oblivion Her search for Tim became an exploration into the nature of death itself We die as we have lived Our lives are not like those of a C12th Tibetan a C15th Cardinal or a Zen monk we cannot therefore simply turn to old maps and myths of what happens when we die We need a new narrative of death that embraces our modern understandings of our humanity and the workings of the universe This book is the story of a grieving mother looking for her dead son an investigation into death in our modern world and an exploration of our struggles to live well in the ever present shadow of death It is not a book with answers it is an invitation to look at death differently This book offers fresh and original ideas about death and dying And it will radically change your understanding of what death is
